Dear Central High School Members and Parents/Guardians,

Welcome! We are thrilled to have you and your student as a part of the Central High School Band Department. This program has had a long history of excellence and by being involved in band YOU are now a part of that legacy.

The Central High School Band Department strives to bring a comprehensive musical education to each and every student. We achieve this through our various ensembles, solo/ensemble participation, individual lessons, honor bands, and other unique musical experiences that take place in and outside of the classroom.

This syllabus will provide a great deal of information regarding policies, grading, dates and times, performance opportunities, and a wealth of necessary information for you and your student to be successful members of the Central High School Band.

Please review this information with your students and keep this syllabus nearby throughout the year. Many questions that may pop up can be answered in these pages. If you have any questions or concerns regarding the material in this syllabus, please feel free to reach out to either director whose contact information you can find provided below.

Thank you for taking the time to review this syllabus and we look forward to having a spectacular year of music, hard work, and memory making!

Sincerely,

Jacob Klingbeil

Band Member Expectations

The School District of La Crosse and Central High School is concerned with the ethical and moral dimensions of a young person's life, not only their academic performance. With that idea in mind, we all (staff and students) abide by these Core Values: Honesty, Respect, Responsibility, Compassion, Self-Discipline, Perseverance, and Giving.

We believe that members of the Central Music Department are some of the best students that Central High School has to offer. The Core Values will take shape in a variety of different ways throughout the year and we expect members of the band to hold themselves to the highest standard in and out band class.

The following are just a **few** ways that members of the band are expected to embody the Core Values:

- ❑ Treat everyone with the kindness and respect. Staff **and other students.**
- ❑ Complete all assignment to the best of your ability.
- ❑ Communicate any absences (in writing from your parent(s)/guardian(s)) well in advance.
- ❑ Arrive on time.
- ❑ Take proper care of your instrument, school facilities, music, etc.
- ❑ Be **positive** and **try your best**, in music and in academics!
- ❑ Positively contribute to community engagements, assemblies, or concerts with grace and class.

You are ambassadors for the band department, young people of Central High School, and most importantly, **yourselves.**

Have **integrity** in all things you do.

"Every time a choice is made a belief is applied"
-Bennett Reimer

Grading

Students who participate in band will work to develop the following musical concepts: tone, intonation, balance, technique, interpretation, other "soft skills" such as discipline, perseverance, active listening, and collaboration with others. Due to the performance nature of the large ensemble classroom, all activities are summative and cumulative. When assessed the students are assigned points and grades are determined using the following scale:

93% and above=A
92-90%=A-
89-88%=B+
87-83%=B
82-80%=B-
79-78%=C+
77-73%=C
72-70%=C-
69-68%=D+
67-63%=D
62-60%=D-
59% and below=F

Students will be assessed throughout the year through a variety of different tools including, but not limited to: performance excellence, preparedness, writing excerpts, director observation, participation, proper attire, etc. The following are examples of typical assessments and what to except:

Daily Points (10 pts): Daily Points are earned during every class period. Points are earned for following directions/procedures, having required equipment/instrument, having required music. Points may be docked if there is talking at inappropriate times, cell phone usage, gum/food consumption or other inappropriate actions. More detailed classroom expectations will be laid out by the individual ensemble director. If you miss a class period(s) you may earn back the points. More on the relearning policy later.

Performances (up to 50 pts): Performance points are earned during each performance that the band participates. Points are earned through satisfactory

participation, timeliness, proper attire and cooperation. **Point will be docked if the proper footwear is not worn or the socks are the incorrect length**. It is expected that the students stay for the **entire** concert. Supporting your fellow bandmates demonstrates the Core Value of respect and hearing other ensembles is critical to the students musical development.

Lessons (50 pts): We are very fortunate to have a program that can offer individual instrument specific lessons. Students are assigned a lesson time during their study hall or MLT time once every 6-7 days. Passes are given out the day before for students to come down for their lesson. **The student is responsible for knowing when their lesson is, even if a pass is lost or not received.** The lesson schedule is always posted outside the band room. If a student is unable to attend their lesson time, **talk with or email** the lesson teacher and an alternative time will be scheduled.

Additional Assignments per the Director (variable number of points): Often in music classroom there are activities that are used to deepen the understanding of the material. These activities could be play checks, theory assignments, journal entries, group discussions, reading assignments, listening assignments, and many more. These assignments will be given in class and students will be given ample time to complete them as well as rubrics.

Re-Learning Policy

Lessons: A student may make up any missed lesson by scheduling an additional lesson with their teacher (either Mr. Hansberry or Mr. Klingbeil). Even if it is school related event the lesson is still expected to be made up. **Make Up Lessons will only apply to lessons within that grading period.** For example, a lesson made up in Quarter 2 CANNOT make up for a lesson in Quarter 1.

Daily Points: Daily points can be made up one of two ways, by scheduling a time to come down to the band room and practice the material that was covered on the day missed (20 minutes for regular days/35 minutes for an Extended Learning day) or by doing the same amount of practice at home. If the latter is chosen as the option for make-up, the student must complete a make-up slip signed by their parent/guardian certifying the practice time. This slip is then returned to the ensemble director. **There is a two week window for the daily points to be completed.**

Performances: Due to the cooperative nature of live performance the experience can never be fully recreated without the entire band present. If a performance is missed without prior approval, the student will receive a 0 until they come in to perform with the recording from the concert. **Full credit cannot be given, the MAX amount of points that can be earned is 66% of the overall points.**

CHS Co-Curricular Ensembles

Jazz Band

If you are interested in being a member of the CHS Jazz Ensemble, there will be a "Jazz Camp" on Tuesday, August 14th-Thursday, August 16th from 9:00am-12:00pm. This ensemble rehearses on Monday nights from 7:00pm-8:30pm and Wednesday afternoon from 2:30pm-3:20pm during the school year (September-March). If you are interested in the Jazz Band, please contact Mr. Hansberry or Mr. Klingbeil. (nhansber@lacrossesd.org or jklingbe@lacrossesd.org)

Pep Band

The CHS Pep Band is a spirited group of band volunteers that performs music at selected boys' and girls' basketball games throughout the year. The schedule for pep band will be announced in the early fall. While being voluntary, **we do ask that all students participate in *at least 2* pep band events**. We have a lot of fun and the school community truly appreciates our presence.

Grand Central Station (GCS) Show Choir Band

This ensemble accompanies our varsity show choir, Grand Central Station. Mr. Esser directs the show choir and Mr. Hansberry directs the band. This is a competitive ensemble that has a full rehearsal schedule from August to March. Space in the ensemble is restricted by the number of singer/dancers and instrumentation needs of the show. Mr. Hansberry will determine membership based on need and an audition process, when necessary. If you are interested in participating in this group, please contact Mr. Hansberry (nhansber@lacrossesd.org) as soon as possible. Schedule for the year will be released in late July/early August.

Central Connection Show Choir Combo

This ensemble accompanies our junior varsity show choir, Central Connection. Mrs. Shively directes the show choir and the combo. This is a competitive ensemble with a full schedule from September to March. The jazz combo consists of keyboards, bass, guitar, and drumset. Please contact Mrs. Shively (kshively@lacrossesd.org) if you are interested in participating in this ensemble.

General Information

Instrumental Rental

If your child requires use of a school-owned instrument of any kind, be it large instruments (tuba, euphonium, baritone/tenor sax, **percussion**, trombone) or secondary instruments for jazz band, there is a fee associated with the use of these instruments. This helps to cover the routine maintenance required to keep these instruments in working order. The cost is **$45.00 per student, per year.** This fee must be paid in full by October 1st each year. Failure to pay this fee could result in delayed graduation or a suspension of official transcripts. If your student qualifies for free/reduced lunch, please contact either band director. Checks can be made payable to "Central High School Band."

Supplies

All Students

- ❑ **Flip folder and screen protectors** for marching band/pep band (this can be purchased from Leithold Music, SSE Music, or wwbw.com). *There are specific types for specific instruments, please read description before purchasing.*
- ❑ **Lyre** (this also can be purchased from Leithold Music, SSE Music, or wwbw.com). *There are specific types for specific instruments, please read description before purchasing.*
- ❑ **Long (calf length at a minimum) Black Socks**. These are for use during the marching band season.
- ❑ **Plain Black T-Shirt.** This will be worn underneath the marching band uniform. This will allow for a uniformed look if we have to vary the uniform due to weather. *Because most plain t-shirts come in packs, students may want to go in together on purchasing a pack for the year/marching season.*

Woodwinds

- ❑ **Reeds**. These can be purchased from Leithold Music, SSE Music, or wwbw.com. *One box SHOULD NOT last your student the whole year.* A functional reed is crucial to the success of your student on their instrument.
- ❑ **Cork grease.**
- ❑ **Cleaning materials**

Brass

- ❑ **Valve Oil.**
- ❑ **Tuning slide grease.**
- ❑ **Cleaning materials.**

Percussion (optional, but highly recommended)

- ❑ **1 set of snare drum sticks (**recommended Vic Firth SD2 "Bolero" or Innovative Percussion SD1 Concert Snare Drum Stick). **These should be labeled with the student's initials on the bottom of each stick.**

Marching Shoes

Uniformity of look is an important aspect of marching band. The uniform itself helps take care of 90% of the look but the variable that is harder to account for are the shoes. The Central High School band uses the black "Drillmaster" marching shoe from Band Shoppe. If your student has Drillmasters from previous years, and they still fit, can be used. If not or you student is new to the program, a pair will be ordered or must be obtained before the first show. To save on shipping the Band Department does a mass order the marching band camp after sizing is completed. **The cost for the shoes is $30.00. This can be paid on the same check as the instrument rental, if applicable.** If your student qualifies for free/reduced lunch, please contact either band director. Checks can be made payable to "Central High School Band."

Concert Dress

As performers, we do not want the "visual" to distract from the music. To address this issue, we also have a "uniform" that we require the students to wear during concert band season. We call this "concert black." For those that will wear dresses, the fabric must go below the knees *while sitting down*. Tops must cover shoulders, backs, and midriffs and be black. For those choosing to wear pants and a shirt/blouse, both must be all black and *with sleeves*. A belt should be used with pants and the shoes should be *black dress shoes* with *LONG black socks*. An accent of color (tie, bowtie, scarf, etc.) may be worn at the director's discretion. Failure to follow these parameters could result in a lowering of the concert assessment.

Communication and Schedules

The band is like a machine and every student is a cog in the machine. For our machine to work at the highest level, every cog must be working properly and

must be present. *We cannot stress enough the importance of your students' attendance at every required band event.* Your student is an important part of band and we function at our highest level when all are present. We do ask that all vacations, college visits, work, etc. be scheduled around the music calendar. Please make sure that the calendar of events is put into your family calendar or that the Google Calendar on the band website (https://www.lacrosseschools.org/central-high/ca/band/) is synced to your phone/computer. **Work is not an acceptable excuse to miss a band event.** We work very hard in the music department to avoid conflicts with athletics, however, they still tend to crop up now and again. If/When a conflict does arise, Mr. Hansberry or Mr. Klingbeil will work out an arrangement with the coach of the given athletic team for a solution.

Despite best efforts we do understand that unavoidable conflicts do occur from time to time. Should this happen, please submit *a written statement from the parent/guardian to Mr. Hansberry or Mr.Klingbeil at least 24 hours in advance of the absence.* When in doubt the following are the best words to abide by...communicate, communicate, communicate.

Ensemble Placement

In order to best meet the needs of your student, each member of the band is placed into either the Symphonic Band or Wind Ensemble. To find out where your student will be the most successful, an audition is held during the second week of October to place the students appropriately. The components of the audition include the following: scales, an etude, sight reading, and tone quality. All of these components are covered during the first three to four in-school lessons of the school year. Auditions will take place during the students' lesson times. The audition is required and graded the same as a lesson. There is no need to change schedules after ensemble placements are determined. If you have any questions regarding this process, please contact Mr. Hansberry or Mr. Klingbeil.

Red Raider Marching Band Camp

Camp

Red Raider Marching Band Camp will occur from **Monday, August 20th-Friday, August 24th from 9:00am-3:00pm.** This is an intense time of rehearsal where we prepare the music, parade, and drill for the upcoming season. Due to the nature of marching band, it is vital that each student be at attendance for the *entire* marching band camp. Music and drill will be provided at the beginning of camp. **August tends to be a hot part of the year so please make sure that your student has the following for marching band camp: a hat, sunscreen, water bottle, proper footwear (no sandals) and casual dress.**

Uniforms

Uniforms will be sized and supplied during the marching band camp. Your student is responsible for the care of the uniform while it is in their possession. The students will be instructed on proper care/hanging of the uniform/hat during marching band camp. If a uniform is lost/severely damaged the student is responsible for the cost associated with the damage (anywhere from $50.00-$400.00).

LINK Crew/Registration

August seems to be crammed with LOTS of events for students to prepare for the year. With that being said there are two events that seems to always fall exactly when marching band does and here are the ways to deal with each.

Link Crew: If you student is involved in LINK Crew, these activities take place during marching band camp, typically. Go to Link Crew the day you are volunteering/participating and when you are finished come back to marching band camp. Learning to schedule/manage your responsibilities is an important skill to master.

Central High School Registration: Every student has to register for classes for the upcoming year during marching band camp. *However,* registration itself goes well into the evening on the day is occurs and usually only takes about 10-15 minutes. *Students SHOULD NOT miss marching band camp to register for classes.* Please take care of this during a break, lunch, or after marching band camp.

Oktoberfest Maple Leaf Parade

Each year the Red Raider Marching Band participates in the Maple Leaf Parade as a part of La Crosse's annual Oktoberfest. This occurs on Saturday,

September 29th this year. More details will be provided as we get closer to the date. We are always in need of parent volunteers to act as water distributors and chaperones. Please contact Mr. Hansberry or Mr. Klingbeil if you wish to be involved in this event.

Game Day

The Red Raider Marching Band performs at all home football games once the academic school year has started. That tends to be anywhere from 2-4 games. We provide pregame entertainment, a halftime show, and music during the first half of the game. Football games typically start at 7:00pm and we start performing around 6:45pm. Members of the band are to meet at **Emerson Elementary at 6:00pm**, unless indicated otherwise by a director. **All** percussionists, tubas, and larger instruments are on "Load Crew" that meets at Central High School **at 5:30pm** to load before heading over to Emerson via bus. At the conclusion of halftime; students are dismissed after the equipment is loaded and the Emerson gym is cleaned. We will be assigning "Unload Crews" this year for those students with larger instruments/tubas/percussion. These students will ride the bus back to Central to help the directors unload.

During games we ask that no non-band members sit within the band section. As to not miss any important information, trips to the bathroom/concessions must be quick. Additionally all cheers/chants/etc. be school appropriate. **Anything and everything we do must be above reproach.** We are there to do a job and support the team.

Memorial Day

Every year the Red Raider Marching Band performs in the annual La Crosse Memorial Day Parade. This is a great opportunity to share with the community the wonderful things that are students do every single day. Times are determined based on order of parade. Regardless of time, the band meets at Central, we bus to the parade start, perform and head back to Central. At the conclusion of the parade, uniforms will be collected. Be sure that your student has clothes to change into after the performance and that all pieces of the uniform are ready to turn in at this time.

Every other year the band performs for the Memorial Day Service at the Oak Grove Cemetery near the UW-La Crosse campus. We trade years with Logan High School and perform 3-4 patriotic tunes.

CHSBAI/Parent Volunteer Opportunities

Meetings

Our band program is fortunate enough to be supported by a group of parents that make up the Central High School Band Association, Inc. (CHSBAI). By being a Central band parent/guardian, you are automatically enrolled as a member of CHSBAI. This group exists to help support the band through volunteering, as a council for new ideas/projects, and through fundraising.

Every parent that wishes to be more involved with the band program is invited to our parent meetings that take place **every 3rd Monday of the month in the Central High School Band Room**. Meetings last no longer than an hour and we invite everyone to attend at least one time throughout the year. We are always looking for ways to improve and utilize the talents of parents within the band program.

Please contact Mr. Hansberry or Mr. Klingbeil if you wish to be more involved or have any further questions.

First Parent Meeting

Our first parent meeting of the year will take place on **Monday, August 13th on the top floor of the Charmant.** This is completely optional, but it is a GREAT way to meet other parents at Central, help plan the year, and ask any questions in person that you may have regarding the Central High School Band Program. I look forward to seeing many of you there.

Volunteering Opportunities

There are many volunteer opportunities throughout the year. Most are very fun, short in terms of time commitment, and support the band immensely. These include the Oktoberfest and Memorial Day Parade, MoonTunes Parking lot attending, LCBA Basketball Tournament Concessions, Central Booster Can Collecting, after concert receptions and more. We are ALWAYS looking for new help and will always find a job for you if you are willing to work. We will be utilizing the SignUp Genius website more to gather volunteers. Please keep an eye on your email for volunteer opportunities as the year marches along.

The Health Assistant keeps a copy of the multiple use field trip forms and at the end of the first, second, and third quarter issues a medical update to those teachers having blanket forms.

Parents and students are reminded that the Student Code of Rights and Responsibilities and the Co-Curricular Activities Code will apply during field trips. Serious violations may result in having students sent home at the parents/guardian expense.
