

The Central High School Booster Club

Our mission is to raise money to support the sports teams and student activity groups here at Central HS. To do that the Booster Club runs the School Store, the can collection and we sell the student tiles that are on the north wall of the commons. 100% of our profits go right back to the students. In just the past year, the Booster Club has raised over \$25,000 and given it all back to our student teams and activities in the form of uniforms, equipment and scholarships.

Some of the teams and activities that the Central Booster Club has helped this 2018-19 school year are:

The Boys & Girls Track teams, the Boys & Girls Tennis teams, the Boys & Girls Basketball teams, the Drama Club, the Adaptive Sports League, the Softball team, the Trap Shooting team, the Cross Country team, Girls & Boys Soccer teams, GCS Show Choir, the Robotics Club, the Football team, the Prom Committee, Central Band, the Dance team, the Boys Hockey team and the ID students. We are always looking for more parents to help us and more ways to raise money. Please contact us if you are interested.
