

In the links below you will find 2021-2022 school year course registration information. Registration will be ONLINE at home this year with then a follow-up meeting with your school counselor to confirm your registration is complete.

Current Freshmen, Sophomores and Juniors - The window for **ONLINE** registering will be **Feb. 1st - 5th**. You will then meet with your counselor during your face-to-face math class the week of **Feb 8th - 11th** to verify your registration is complete.

For those students who chose 3rd quarter all virtual or CRVA - You will follow the instructions attached to register online and your window for registering will be **February 1st - 3rd**. Your School Counselor will reach out to you via email to verify your registration is complete.
