

*Because the school district does not provide Jostens with personal family information, we have been given permission to ask parents to provide their contact information, specifically their email address on an INFO CARD. We will use this information to provide yearbook updates. The INFO CARD (hardcopy) can be filled out at Registration if you wish, or more efficiently, the INFO CARD can be filled out using this Google Docs link [Jostens Family Info Card](#). Please complete the form by 16 SEP 2022. We will then follow-up with you with any important yearbook reminders. As always, a parent has the right to decline to provide this information.*
