10/12/2023

Parents/guardians MUST supply all medications & have them stay in the Health Room (along with appropriate form signed). This includes but is not limited to:

- Ibuprofen (Advil)
- Acetaminophen (Tylenol)
- Allergy Medication
- TUMS
- Cough Drops/Throat Lozenges

Students can carry cough drops, but legally, CHS Nurse, Health Assistant, and/or Staff cannot hand them out, as they are considered an over-the-counter medication.

The School District of La Crosse (including Health Rooms) does not supply any medication.
