

October Newsletter

A Message From Ms. Pope

Thank you so much for helping us to launch the Coulee Montessori school year with such positive momentum! It is so great to have students back in the building; learning, playing, and collaborating with one another!

I hope our Northside families enjoyed intersession as our students were able to have a lot of creative ways to have fun and give back to our community. If you haven't yet, please take a moment to view our Facebook page and see all of the adventures that took place in our intersession classes.

As we continue to navigate this ever-evolving pandemic, our building will make any necessary shifts to keep our students and staff healthy. We know that it can be very trying as our community's numbers continue to change but taking the necessary precautions at home and school will help to keep our students healthy. Our staff have worked diligently to follow all of our mitigation strategies and we are so thankful to have you, our caregivers, continue to do everything you can to keep our students healthy as well.

Please do not hesitate to reach out with any questions, concerns or suggestions. We are grateful to have such strong home-school partnerships and will continue to work to strengthen them as the year moves on.

School Nurse

Cheryl Heath
Health Assistant

(608)789-6703

ATTENTION 5TH GRADE PARENTS!

ASK YOUR STUDENT'S PROVIDER AT THEIR NEXT CHECK UP!

New Immunization needed for the start of 6th grade:

All 6th graders are required to have a

TdaP immunization

on file by the first day of school in the fall. This can be obtained at their 11-year-old well child check up. If your child has not received this immunization, please contact your provider, the La Crosse County Health Department (608) 785-9723, or your pharmacy to obtain this immunization prior to September 1, 2021.

You may contact the health assistant or school nurse with any questions. Thank you.

MASKS ARE REQUIRED!

ALL STUDENTS, STAFF AND VISITORS ARE REQUIRED TO WEAR A MASK WHILE IN THE BUILDING.

MASKS ARE PROVIDED FOR STUDENTS & AVAILABLE FOR OTHERS.

COVID INFORMATION MESSAGE FOR PARENTS

It has been wonderful having students back in person as we started this school year. We appreciate all the efforts our staff, students, and families are taking to ensure we are able to continue in person learning. We'd like to take this opportunity to highlight some of the important mitigation strategies that families play a large role in.

Please keep your child home if they are sick. We are seeing a lot of illness in our students. *We encourage all parents to be watchful of symptoms. We are noticing in some positive cases among students that there are subtle symptoms that may present as a mild cold or allergy symptoms.* Keeping your child home when ill is the most important thing that you can do to support in-person learning. We recognize how difficult it is for families to keep kids home; however, when a sick child comes to school, they will be sent home. Sending a sick child to school can impact other students' ability to be in school as well. *As a reminder we do have [daily testing sites](#) available for all district families.*

We will continue to contact trace and quarantine close contacts when we have a positive case. Unvaccinated close contacts will be required to quarantine. You will be notified by phone or email and provided directions about return to school if your child is a close contact. Under most circumstances, a shortened quarantine is allowed with a negative test taken following day 6 of exposure (with the earliest return to school day being day 8). Additional information can be found on the [District COVID Health Services webpage](#).

We understand how frustrating and inconvenient isolation and quarantine can be. We want nothing more than for our students to be in school; however, our current circumstances surrounding COVID do not allow us to relax our protocols at this time. Please be understanding with our health room staff who contact you about isolation and quarantine. They are happy to answer questions you may have; however at this time they will not deviate from the quarantine guidance and timelines.

We appreciate your partnership in keeping our schools healthy and in person.

La Crosse County Health Department Childhood Vaccine Clinics

Longfellow Middle—Wednesday, September 29, 2021. 3-5pm
Northside Elementary—Wednesday, October 6, 2021. 3-5pm

Who is eligible: All children through 18 years of age are eligible for fall school-based clinics for all childhood vaccines.

What is available: All childhood and school-required immunizations. In addition, non-school required vaccines such as Hepatitis A, Meningococcal, HPV, and Pfizer COVID-19 vaccines are available.

For questions, call La Crosse County Health Department at 785-9723.

COVID Drive-Up Testing

Open to School District of La Crosse students and staff, as well as members of their household

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Logan HS 1500 Ranger Drive	Hogan Admin Center 807 East Ave S	<div style="border: 2px solid black; padding: 5px;"> PCR and Antigen testing is available at each site. Pre-registration is recommended: https://register.covidconnect.wi.gov/ </div>		Spence Elementary 2150 Bennett St.
7:00am-10:00am	7:00am-10:00am			7:00am-10:00am
Spence Elementary 2150 Bennett St.		Logan HS 1500 Ranger Drive	Hogan Admin Center 807 East Ave S	Logan HS 1500 Ranger Drive
2:00pm-5:00pm		2:00pm-5:00pm	2:00pm-5:00pm	2:00pm-5:00pm

Negative PCR tests are required to return to school if having COVID symptoms. We cannot accept rapid PCR tests. There are at home tests that we are not able to accept. If you have questions regarding testing and whether or not it is safe for your student to be at school, please call the health room. Information and guidelines are ever changing and we are happy to guide you in next steps so that we can work together to keep our students safe, healthy and in school as much as possible!

SCHOOL ATTENDANCE

Please call or email the attendance office by 9:00 am each day the student is absent. A message may be left anytime before, during, or after school.

If the student is arriving late or leaving early due to an appointment, the parent/guardian should call or email the attendance office by 9:00 am.

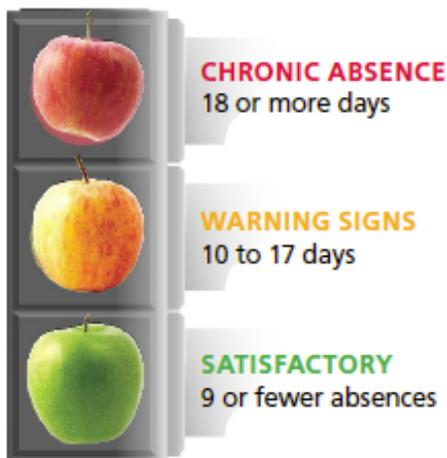

If the student will be missing **THREE** or more days of school due to vacation, schedule surgery, etc., an [Excused Absence Request Form](#) should be filled out and returned to the office for principal approval. You can also find a copy of this form on the school website under School Documents.

Northside Elementary and Coulee Montessori will again utilize our computerized auto-calling system, Skylert, for attendance purposes. Skylert is a device that plugs into our existing computer system. It has the capability of reading the absence report and can automatically call parents/guardians when their students are reported absent without reason.

A pre-recorded message will be received by parents/guardians at 10:00am informing them that their student was marked absent. The parent will then be instructed to call the Attendance Office to update their student's attendance record.

Thank you for your cooperation!

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

Message from our Parent Groups

Northside PTO Parent Teacher Organization

PTO at NSE is here to build community and raise fund to help our school be as amazing as it can be! It is also a great way to connect with other parents and learn about upcoming ways to support Northside Elementary students and staff!

If you ever have any questions about PTO, please feel free to reach out to us!

Are you interested in becoming involved with the Northside Elementary Parent Teacher Organization? Email the PTO at the link below.

Check out – and follow the PTO Facebook page!

Hello,

My name is Courtney Arneson and I am so excited to get to know all of you. This will be my first year as a Guidance Counselor/School Social Worker at Northside Elementary and Coulee Montessori Schools. I will be facilitating classes and groups with Coulee Montessori students. I will also be assisting with attendance concerns and providing community outreach support. While this will be a new role for me, I do have over five years of experience working within this field. This includes working at Gundersen Lutheran Medical Center as a Social Worker/Discharge Planner and at Dunn County Human Services as a CCS/CLTS Waiver worker.

Some fun facts about me are: I recently bought a house in La Crosse, WI and I just got married in September. We also have two dogs named Archie and Gus. We love the outdoors, especially going on hikes and going fishing. I am looking forward to this new role and I am looking forward to learning with all of you. Please do not hesitate to reach out with any questions/concerns.

VIRTUAL BACKPACK

In an effort to save resources and time required by school staff to sort and handle flyers, approved flyers will be posted on the [virtual backpack webpage](#). (There is also a link on the school home page.)

School backpacks will continue to be used for school administrators, teachers, and the school district to send communications and information home to parents, such as homework, classroom news, and school-sponsored activities. Flyers will not be sent home in student backpacks unless they are directly related to school business and are generated by the school or school district.

FIRE PREVENTION WEEK™

Learn the Sounds of Fire Safety.

Fire Prevention Week October 3rd – October 9th

Students will participate in Fire Prevention Week Activities virtually this year. Grade appropriate lessons will cover topics such as what to do before during and after a fire, what to do if you find matches or a lighter, smoke alarms and what they sound like, what firefighters look like in full turnout gear, the importance of not hiding from them, stop drop and roll, the importance of having an escape plan, fire science, EDITH – Exit Drills In The Home, danger of smoke, cooking safety, dangers and consequences of playing with fire, and MORE!

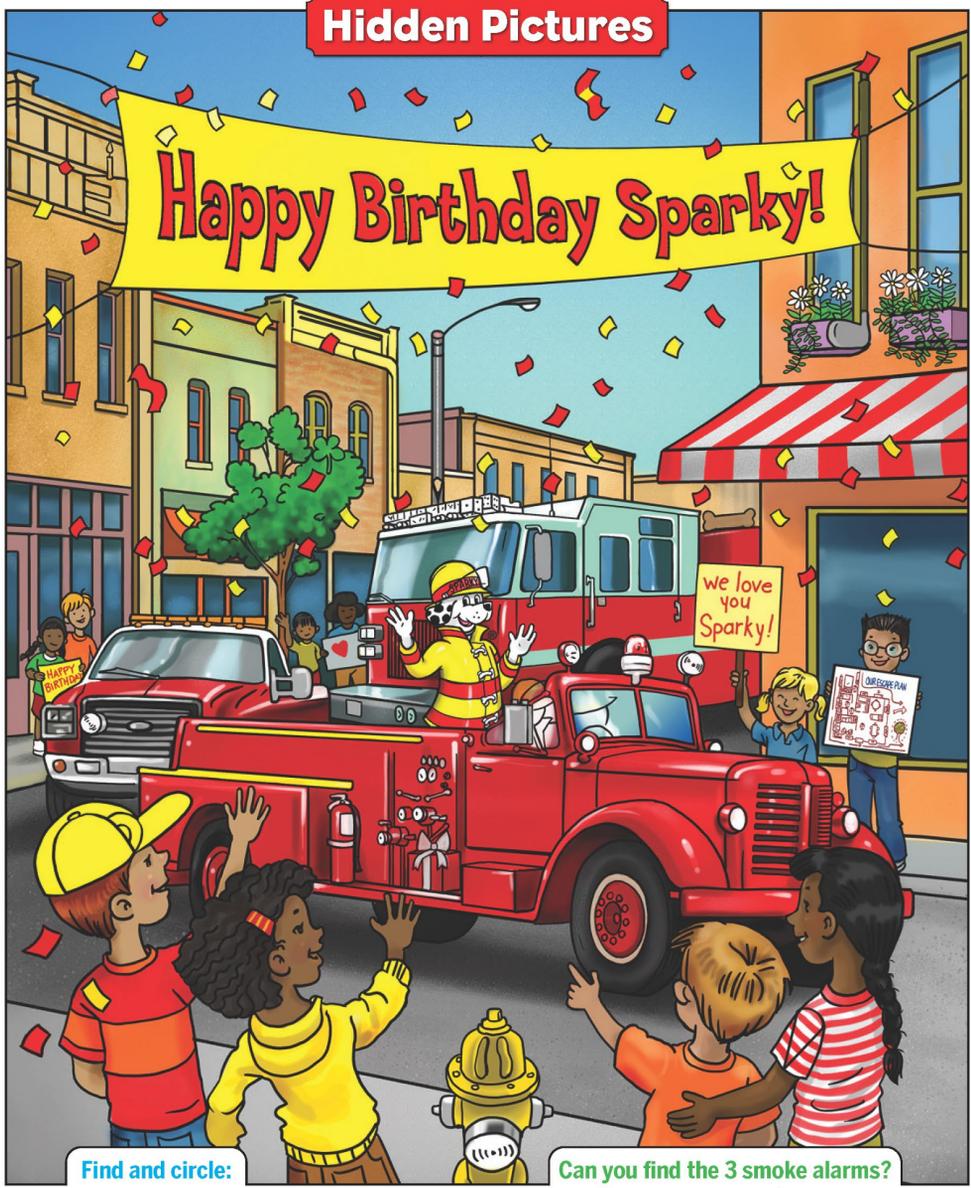

WHAT YOU CAN DO:

Ask your student what they learned and help them practice your escape plan!

**ACTIVITY:
CAN YOU FIND THE
HIDDEN PICTURES?**

ANSWERS TO THE HIDDEN PICTURES & MORE ACTIVITIES CAN BE FOUND ON SPARKY.ORG - FIRE SAFETY WEBSITE FOR KIDS.

Hidden Pictures

Find and circle:

Can you find the 3 smoke alarms?

Coulee Montessori SET – School Effectiveness Team

Who We Are

The Coulee Montessori SET (School Effectiveness Team) Board supports our classrooms, teachers, and school community to ensure the success of 4K through Grade 8 Montessori education in the La Crosse School District.

What We Do

We work together with families, teachers, principals, and the school district to plan school events, organize fundraisers, and help direct the future of our school.

What You Can Do

Please join the conversation! You are welcome at all of our meetings, where you can learn more about our school and share any joys or concerns you may have. And if you can't make our meetings, we are always happy to welcome family members to help with events throughout the school year! To get in touch, reach out to one of us or write to CouleeMontessoriSET@gmail.com.

Ongoing ways to support quality Montessori Education:

- Box Tops
- Donate anytime online.

Check out – and follow the CM SET Facebook page !

Welcome to fall! As we move into the school year the focus of our guidance curriculum will be on conflict resolution and problem solving. Much of the language I teach comes from Non-Violent Communication curriculum and Zones of Regulation. I love helping students explore their feelings, understand their needs and learn how to make choices to help them get what they want/need without anyone or anything getting hurt or in trouble. This is truly the basis for good communication and relationships.

Giraffe Talk

When I see  or hear  ...

I feel ... 

... Because I need  ...

Would you  please ...?

Zones of Regulation

Use tools to get in the green zone.

Drink water	Count to 10	Take some breathers	Stretch your muscles	Use deep breathing	Use fidgets	Draw	Write	Take a walk
Use a stress ball	Use a fan	Use a weighted blanket	Use a weighted vest	Use a weighted blanket

ADVANCING WELLNESS AND RESILIENCY IN EDUCATION

Bedtimes, Routines and Schedules:

Bedtime struggles-a common complaint for many parents! Sleep is important for everyone and if that is being disrupted for any reason we can't be at our best and neither can our children.

Join Michael Scott from the Parenting Place for a discussion on why bedtime problems happen, how to prevent them, and how to manage them. At the end of the evening, you will leave with a parenting plan designed specifically for your family.

Sunday, September 19th, 4:30pm via ZOOM.

*There is no maximum number of participants for this workshop.

To attend please sign up here to have the link emailed to you. [Bedtimes, Schedules and Routines](#)

Bullying:

Attend this free parenting workshop to learn how to recognize different types of bullying; common reasons why children bully others; how to tell if your child is being a bully; and what you can do if your child is being bullied. Parent Educator Mike Scott will give tips and resources on how to manage bullying and how to get it to stop.

Tuesday, September 21, 6pm via ZOOM

* There are no maximum number of participants for this workshop.

To attend please sign up here to have the link emailed to you. [Bullying](#)

Coulee Region Pride!

September is PRIDE month in La Crosse. The YWCA, Gundersen Health System and School District of La Crosse are partnering together to support our LGBTQIA+ youth. This page has links to a 4 part series including definitions surrounding our LGBTQIA+ youth, the gender spectrum, sexuality and resources for families and youth. This series is brought to you by Dr. Erin Gutowski, gender positive pediatrician and gender clinic provider at GHS.

[Link to Coulee Region Pride Facebook page](#)

There will also be a discussion panel for parents and youth to ask sensitive or anonymous questions to panel participants from the community. This will be a virtual event on Tuesday 9/28 from 6-8pm. To get more information or to sign up to participate click on: [Parent LGBTQIA+ Panel](#)

+Positive Foundations

Free workshops for parents and families in the La Crosse School District

We had a wonderful time with our guest artist Dahli Durley. Dahli is a photographer who currently lives in downtown Minneapolis. She shared her expertise with Northside students and one Coulee Montessori class as a bonus during the NS assembly. I received a grant for her to come to Northside last year, but due to COVID, we had to delay her residency. Ms. Durley taught students how to take close-ups, edit, and how to focus on the eyes of a subject for portrait work. She also told us about her own advocacy work with her camera! She was one of the photographers hired to cover the Black Lives Matter protests for magazines and newspapers. Dahli photographed our younger students. I will be sending classroom teachers the photographs of students and they can send them home as they have time. Please do not contact your child's classroom or art teachers for photos as she did not photograph all classes. We are hoping to have her back for a family night where she can schedule portraits with families.

Mrs. Rathke

Superstars 2nd Grade

2nd Grade Intercession

Students enjoyed learning about the continent of Africa, the animals that live there, the different types of forms, and the African culture. Students enjoyed STEM activities of building Hot Wheel ramps, Magnetic Blocks into castles, Lego creations, playing Mancala, and so much more! Students took part in other classes, such as a cooking class! One week we made Salsa, and the next week we made pizza! Students also made bags of dog food for a company that assists homeless people with pets. Each day was a new adventure during projects, recess, and discussions! Here is a snapshot of some of our favorite things during 2nd Grade Intercession!

Superstars 3rd Grade

Third Graders at Northside Elementary took their first walking field trip to the Northside Community Library. Students were able to meet the librarians, take a tour of the building, sign up for a library card, and even check out books! They were excited to find out about all of the wonderful experiences that the public library offers including board games, computer games, books, movies, and even snacks! They are looking forward to returning again soon.

Mrs. Wiedemann's class is getting ready for fall. We used Art for Kids Hub on YouTube to create fall decor.

Community Resource Room

Julie Nelson
CommUNITY School
Coordinator
jnelson@lacrossesd.org

Northside Elementary and Coulee Montessori is pleased to announce that we have added a Community School Resource Room at our school. The purpose of this space is to provide extra resources and support to students and their families.

What Can You Find in the Community Resource Room?

- Clothing (Shoes, Boots, Coats, Socks, Shirts, Pants, etc.)
- School Supplies (Pencils, Paper, Erasers, Folders, Rulers, and more)
- Food (Pasta, Peanut Butter, Rice, Canned Fruits and Vegetables, and more)
- Hygiene Products (Soap, Washcloths, Combs, Shampoo, Toothpaste, etc.)

Your child can come to us for shoes, socks, clothing, food, school supplies, toothbrushes, toothpaste, etc. As parents/guardians, you are also welcome to stop by to select items for your child(ren).

*Some of the items (e.g., clothing and books) may be gently used as we are also trying to reduce/reuse/recycle, when possible, in order to be more environmentally friendly.

The weather is changing, and temperatures are dropping. Dressing your student appropriately for the weather is important. Students will be outdoors for recess, weather permitting. It is important for the students to go out in the fresh air and exercise.

DRESSING FOR COLD WEATHER

adding layers will help keep you warm as the temperature drops

CHILLY

- 1-2 layers (shirt)
- long layer (pants)
- outer layer to keep out wind, rain
- warm shoes water proof

COLD

- 2-3 layers (shirt)
- gloves
- 1-2 layers (pants)
- warm hat
- outer layer to keep out wind, wet snow
- boots water proof

EXTREME COLD

- 3+ layers 1 insulating (shirt)
- gloves
- 2+ layers (pants)
- warm hat
- face mask
- outer layer to keep out wind
- boots water proof

HARVEST OF THE MONTH
 NEWSLETTER 10/2021
**FUN FACTS**

- Did you know that La Crescent, Minnesota is the Apple Capital of the USA?!
- It takes about 36 apples to make one gallon of apple cider and about 2 pounds to make one apple pie!

NUTRITION INFO

One medium apple has 95 calories and provides vitamin C, potassium and fiber.

Warm Cinnamon Apples

Serves 6

Ingredients:

- 4 large apples, sliced
- 2 Tbsp. brown sugar or maple syrup
- 1 tsp. cinnamon
- ¼ tsp. ground nutmeg
- 2 Tbsp. water
- 1 Tbsp. butter

Directions:

In a large bowl, combine apples, syrup/sugar, cinnamon and nutmeg. In a medium saucepan, cook apple mixture, water and butter over medium heat. Stir occasionally for 8-10 minutes or until apples are tender.

PICK

Choose apples that are firm with no bruises or soft spots. Color may vary depending on variety – not an indicator of ripeness. Apples can be sweet, tart or in between!

STORE

Apples can be stored at room temperature for a few days or in a plastic bag in the refrigerator for a few weeks.

PREPARE

Wash before eating. Leave the skin on for best nutritional value! Dip sliced apples in a mixture of lemon juice and water to prevent browning.

USE

Sliced apples can be added to sandwiches and wraps. Try granny smith apple slices on a grilled cheese sandwich! Slices can be dipped in peanut butter, yogurt, caramel, and fruit dip.

Per Serving (1/2 cup): 116 calories, 2g fat, 1g saturated fat, 0g protein, 24g carbohydrate, 4g fiber, 0mg sodium
