DISTRICT CODE OF RIGHTS & RESPONSIBILITIES

The Board of Education has adopted the Student Code of Rights and Responsibilities which has been made available through Skyward Family Access or at the following link: **www.lacrosseschools.org/programs-services/community-services/student-code-of-rights-responsibilities.** If you are unable to access the Internet, you may pick up a copy of the Student Code of Rights and Responsibilities at your child's school, or in the District Registrar's Office located in the Hogan Administrative Building (807 East Avenue South, Room 112). Your child will be expected to comply with the standards set forth in this conduct code. Therefore, it is necessary that you and your child read and discuss the code thoroughly and carefully so that you are aware of the standard of conduct expected of all students in the School District of La Crosse.

I have read the Student Code of Rights and Responsibilities. I understand all students are expected to behave in a manner consistent with the standards described.
