Dear Hintgen Parent(s) and Guardian(s),

As a follow up to the communication on our Safety Protocols for the return of face to face learning at Hintgen please see the attached map and designated doors listed below for staggered arrival and dismissal that families should access daily.

At each of our entrances we will have school staff there to help direct students and families to their arrival doors. In addition, on the first day of school, all students will get a tag on their backpack that will be color coded and have the daily symptom screener QR code for families on it. This will be a visual reminder and quick access point for families and will serve as a visual reminder to students and school staff so that students can be directed to the proper entrance daily.

In Partnership,

Amy Oliver
