Lincoln PTO supports Lincoln, SOTA II, and Coulee Montessori Adolescent School, teachers, and youth by raising money for supplies and enrichment opportunities that are not covered in the school budget. We know families are busy and your time is valuable. As a result, we limit the number of fundraisers by asking for a voluntary donation. PTO donations can be left at the school office or submitted via paypal. Additionally, Kwik Trip gift cards are always available to purchase in the school office and 10% of proceeds goes directly back to PTO. Thank you for your support!
