

THE COUGAR CONNECTION

Biweekly Update From Lincoln/SOTA II/Coulee Montessori

Greetings From Mr. Hubing

Hello Lincoln Middle/SOTA II/Coulee Montessori Families,

It is time for the kids to go back to school!!

At least that is what my wife and I decided last night as our boys tattled on one another for most of the evening for everything from breathing too loud to eating each others snack. Togetherness is important for brothers but so is space.

In all seriousness, getting back into the routine of the school year with the familiar rhythms and patterns is important for all kids. At Lincoln, we are truly looking forward to meeting our crew of incoming 6th graders tomorrow and reuniting with our returning 7th and 8th graders on Wednesday.

Our Cougar Kickoff for 6th graders will take place on Monday, August 22nd, from 12:00 noon - 4:00 p.m. This will be followed by an open house for 6th grade families from 4:00 - 5:30 p.m.

Open house for 7th and 8th grade families will take place on Wednesday, August 24th from 4:00 - 5:30. We can't wait to see you all again.

Our school is a very tight-knit community where teachers help one another meet the various social, emotional, and academic needs of all students. I am extremely proud to be here and can't wait to partner with all of you to ensure that your student is happy, healthy, and learning at high levels.

Sincerely,

Alex Hubing
Principal
Lincoln Middle/SOTA II/Coulee Montessori
