**I wanted to comment on Coach Leclair and his wrestlers at Sparta last night. At our home matches we honor a serviceman or vet by having them act as honorary captain. Last night we had Retired Major Thomas Smith. He is about 75 years old, his three boys were outstanding wrestlers for Sparta and he himself was an assistant coach in the 80's. Tom and Doug know each other from those days. Tom has been battling cancer the past 8 years and it was not easy for him to be there last night but he wanted to do it. Coach Leclair went out of his way to come over and visit with Tom before the match and during the team introductions each member of his team came onto the match to shake hands with Major Smith. It was a very moving and a very classy gesture from Coach Leclair and his team. I've always had a lot of respect for the Logan kids and wrestlers and now everyone in the gym last night does as well. Mike Montgomery.
