### **OLD BUSINESS:**

-Golf Outing – Great turnout for the golf outing; had 18 more players than the previous year. Looks to have profited roughly \$7,000. Will look at doing some type of chance to win on one of the par 3 holes next year, which requires additional help. Also, the idea came up to possibly charge \$100 per player; for the \$90 fee does not cover the expense of golf/cart. Next year get the credit card reader for convenience. Wally will check the cost to do so.

Drive for School and Fall Fundraiser – Date of September 23<sup>rd</sup>. Will need 2 shifts of two from 8 am to Noon for the drive for school fundraiser, then all to set up at 1:00 for the Fall fundraiser. Need to get donations for both the silent and live auctions. Stephanie will once again make posters for the event, and, a letter for the coaches to send to the families in order to not only ask for donations for auction items, but to get more people there. Wally distributed tickets for presale to the event. Can give tickets to the event to those that donate items for auction items, and/or those that donated prizes for the golf outing raffles.

Calendar Raffle – Need to design and print. Will plan to sell them for \$20 each and there will be one pulled for each day in February. Friday payout will be \$250, and the rest of the days will be \$100.

### **NEW BUSINESS:**

-School Store – Upcoming dates of July 20<sup>th</sup>, July 26<sup>th</sup> and August 16<sup>th</sup> in which the store should be open. First, July 20<sup>th</sup> is the Football parent/players meeting and the 26<sup>th</sup> is the Fall Parent and athlete Meeting. Need volunteers for store workers. Then, August 16<sup>th</sup> is the Frosh Fest, in which the store should be open AND also have Fall Fundraiser tickets for sale. Also, could use two more people to staff the store during days from 11 am to 1 pm.

-BGC Feeder Program – Due to the fact that this would be a stepping stone for Logan High School athletics, discussion was on whether we can help with this organization. Motion made by Stephanie to donate \$300 for both the Basketball program and the Baseball program of the BGC, 2<sup>nd</sup> by Ellen and approved by all.

-Facebook page – Looking to get a facebook page set up for the Logan Booster Club.

-Steve Hole Fund – Possibly use this as a side fund for different activities. Do we want to come up with a certain fundraiser for this; possibly a new fundraiser such as wine night, or the culvers night, etc.

### **Requests:**

Boys and Girls track team is looking for a universal storage chest, with costs between \$200 and \$300. Motion made by Laura to approve, 2<sup>nd</sup> by Stephanie Gavrilos and approved by all.

Megan, Melissa and Stephanie all volunteered for the early shift of volunteering, and Sue Ganshow and Stephanie Fraase and Laura Cunliffe will take the later shift.

Drive for School and Fall Fundraiser – Set for same day; September 23<sup>rd</sup>. Will need volunteers for the drive for school first, then the set up will begin at roughly 1:00 pm for the Fall Fundraiser. Generally, a bit of clean up at the end of the evening as well. Was suggested to sell as many tickets as possible prior to the event in order to get more people there.

### **NEW BUSINESS:**

-Steve Hole Retirement – New plaque and a fund has been set up by the Borshiem family in honor of Steve Hole's retirement. Thank you Borshiems.

-BGC Feeder Program – The program is looking to get sponsors for more travel teams. Can look at this as a feeder program for Logan athletics. Would the Booster club be interested in being a sponsor for one of the teams. Will table discussion till the July meeting.

-Athlete and Parent Meeting – to be held on Thursday, July 26<sup>th</sup>. Would be a good idea to have a table set up to explain what/who the booster club is and try to get new members. Also, Wally suggested the possibility of starting a membership fee once again in order to support the Booster club.

-Frosh Fest – date set for August 16<sup>th</sup>. Suggestion to set table up for this date as well. Also, have the school store open with new products by that time.
