P/T Conferences

Monday, March 11

Noon - 8 p.m.

Wednesday, March 13

4 - 8 p.m.

Logan Family,

As I write this, we are in the midst of ACT and ACT Workkeys and near the date of mid-quarter 3. Even though it doesn't look like it outside, March will be here soon and the official start to spring is not far behind. Our winter activities are finishing up and most of us are probably ready for the change in seasons.

Whether it be athletics, music, the arts, or a club, I would once again urge your student to be involved in something. There are many opportunities in the spring. It may be following a passion or finding something new to try out.

I would encourage you to keep glancing at Family Access on Skyward to keep track of your student's academic progress and be a firm positive guide to your student regarding their academic endeavors.

Parent teacher conferences are noon – 8 p.m. on Monday, March 11, and 4:00-8:00 on Wednesday, March 13. Parents of seniors will be receiving a postcard in the mail within the next few weeks with regard to important senior dates.

I know parents like to be prepared with any change in schedules, so after PT conferences on March 11 and staff development on March 12, we will be holding three 8-period days for the rest of the week. We will also hold three 8-period days starting April 15 heading into spring break, but we will have a normal week coming out of spring break starting on April 23. The 3rd quarter ends on March 27.

I love working at Logan HS, love working with our great staff, and take great pride in trying to make Logan HS a caring, safe school for your student to attend each and every day.

It Is a Great Day to be a Ranger,

Wally Gnewikow
Logan HS Principal

The **Lacrosse Wrestling Team** hosted Tomah recently, and one of our very own Logan High Students had his Dream Wrestling Debut. ***Erik "Tornado" O'Brien***, an ID student at Logan High School, has been dreaming about hitting the mat ever since he met his mentor/idol, Konrad Ernst (UWL Wrestler) two years ago. Erik suited up to practice with our team for 2 weeks in preparation for his big match. Another Logan teammate, *Aiden Harcey*, did an amazing job as Erik's opponent. The atmosphere in the gym was electric! It was incredible!

THE RANGER PAGEANT

2018

Each year Logan High School's Pep Club group hosts The Ranger Pageant. The Pageant's goal is to seek out student leaders who want to lead the student body in school spirit at school activities throughout the year. The 2018-2019 Rangers were Tori Witcraft and Aurora Waite. They have done a fabulous job leading the student body in school spirit this year!

This year's Ranger Pageant had two fabulous groups compete. One group consisted of Tori Witcraft and Dayne Hoff. Tori and Dayne dazzled the student body with their dance montage from popular dances form over the years. The next group consisted of Jacob Wallace, Ian Virock, Cashew (Matthew) Lind, and Colin Miller. This group provided a creative musical selection and rapped about who they are and what Logan means to them. After an exciting assembly and close competitions between spirit wear, talent, school spirit speeches, impromptu crowd cheer, and impromptu questions, the judges chose a winner. The leading Ranger's for the 2019-2020 school year with be Jacob Wallace, Ian Virock, Cashew Lind, and Colin Miller! Congratulations!

Congratulations!

The 2019-2020 Ranger Pageant Winners

Jacob Wallace, Ian Virock, Matthew Lind, Colin Miller

Pep Club would like to thank all the contestants for their hard work and school spirit they provide to Logan High School each and every day!

LET YOUR LIGHT SHINE LOGAN FAMILY!

Ranger Renaissance put up a display in the commons in December. The goal of the display was to convey the message that everyone is part of the Logan family, and everyone has some good (light) to bring to the school and the people here. Every student and staff member in the building had their name written on a light bulb, and then they were strung across the room. There were quotes about light displayed around the commons as well. Everyone enjoyed and appreciated the colorful display and the positive message.
