# **A Letter from the** **PRINCIPAL**

*Dear Logan Families,*

At the end of another school year, I am hoping for rejuvenation, relaxation with some fun mixed in for all of you. Our summer school session with recovery classes and a few original credit classes runs from June 6-June 29th. Our strength, speed and nutrition classes will continue throughout July and then our fall activities will start up in August.

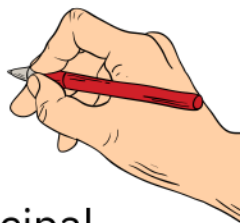

Registration for Sophomores-Juniors will be on Tuesday, August 15th and for Freshman will be on Wednesday, August 16th. More information will be coming as we get closer to those dates.

In this newsletter is an attached Bell Schedule for the 23-24 school year for all of you to take a look at. Classes will start at 8:00 AM each day.

Thank you everone, have a great summer.

*Wally Gnewikow, Principal*

# Spanish V students in Ms. McGowan's class made educational Spanish books to be donated to 5th graders in Chiantla, Huehuetenaango, Guatemala

The connection was made by Edgar Rodriguez, our ELL TA at Logan, whose father teaches the students at an all boys school in Guatemala.

Each Spanish student chose a topic that was interesting to them such as the Mississippi River, cheese, soccer, and candy of the US.

It meant a lot to the students to put their hard work into a meaningful donation project!

# Students in upper level Spanish and Art

took a combined field trip March 30th with funding provided by the La Crosse Community Foundation and The La Crosse Public Education Foundation. Students enjoyed touring the **National Mexican Museum of Art** and the neighborhood of Pilsen's murals and authentic Latin Cuisine. One of the highlights of the trip was the **Chicago Institute of Art** and visiting **Millenium Park!**

**"I had a lot of fun on this field trip! My peers and I had the opportunity to see and learn about things we rarely get to. There is a big difference between looking at a picture of a painting and seeing it in real life. This trip was a significant learning opportunity to understand the world around me. As a senior, I hope other students will get the opportunity to go on this trip again"**

**-LYNDALL BREAUX, SENIOR SPANISH STUDENT**

**"The Chicago trip was so informative and fun; I tried Puerto Rican food that was so delicious and got to see some beautiful paintings at the Mexican Museum of Art and the Art Institute."**

**-LYDIA VOSS, SENIOR ART AND SPANISH STUDENT**

Valley View Rotary continued their tradition of holding a graduation breakfast for the LaCrossroads seniors!

Five seniors, Anna Pollock, Rayana Santos, Avirey Smith, and Lucas Payne, along with their guests, were invited to the R.W. Houser Family YMCA to be honored.

**Rotarians recognized the hard work of the students and their families.**

**LaCrossroads Principal, Anthony DePaolo, and grade level coordinators, Dorothy Hart and Cathy Sobania (shown) spoke about the great strides made by the students.**

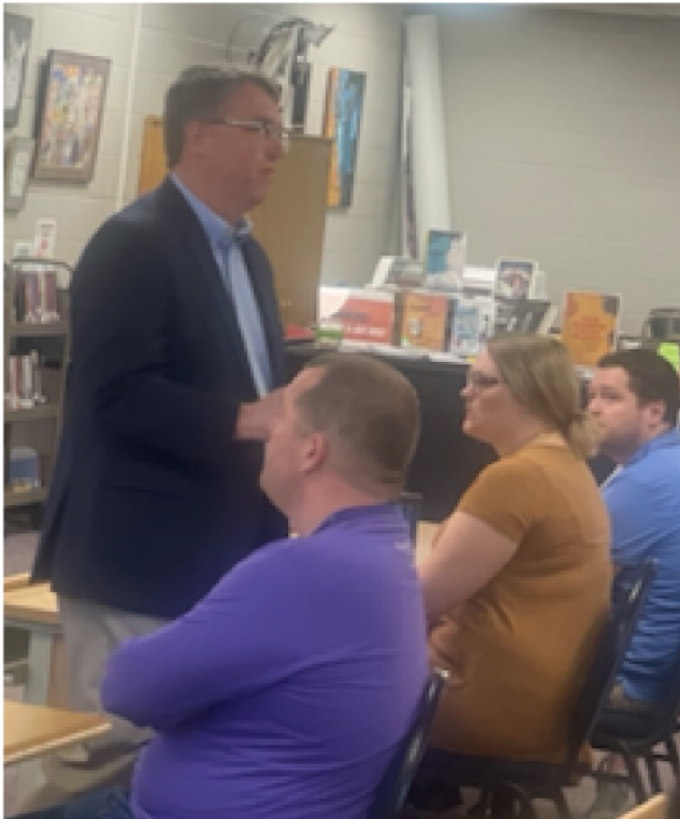

# Thank a Teacher Day!

**La Crosse Public Education Foundation** observed Thank a Teacher Day on May 9 with deliveries of sweet rolls and fruit to district schools. At Logan, teachers and staff gathered in the Library to collect their sweet tokens of gratitude. **State Senator Brad Pfaff** gave a brief message acknowledging the work school employees do for their students and how it benefits the community. The LPEF deliveries are supported by Carol Taebel through LPEF.

In our ever-shifting global landscape, it is essential for students to graduate equipped with the cultural and linguistic capacity to participate in a multilingual and global 21st century society. The Wisconsin Language Roadmap, a program designed to gauge the needs of employers in our state, indicated that the current supply of professionals who are fluent in languages other than English is scarce. There is an ever-increasing need in a variety of professional contexts for multilingual employees. Wisconsin employers highlighted the value of not only language proficiency but also the strong intercultural and global competencies of their multilingual employees.

## The Wisconsin Seal of Biliteracy

The Wisconsin Seal of Biliteracy (SBL) is a program that honors the linguistic assets of multilingual students. It is awarded to graduating high school students who have demonstrated advanced achievement in bilingualism, biliteracy, and sociocultural competence in two or more languages. The School District of La Crosse is excited to offer this opportunity to our students in

English and either Spanish, French, Chinese, German, Ukrainian, Farsi, or Hmong. The seal may be earned in other languages as well with state approval.

**Congratulations to Jade Jefferies and Nate Shilling who have earned the SBL for showing advanced proficiency in both English and Spanish!**

## The Certificate of Global Competence

The Certificate of Global Competence, previously known as Global Scholars, is a recognition awarded to students dedicated to global education and issues that desire to become a global citizen. They do this by developing their global competencies through taking courses with a global focus, participating in sociocultural activities in school or the community, and by reflecting on international literature and film. They also must complete a service project that focuses on one of the United Nations seventeen sustainable development goals.

**Congratulations to Jade Jefferies, Kaitlyn Iverson, Niklas Daykin, and Rosemary Greany for earning the Certificate of Global Competence this year!**

Please contact your child's World Language teacher or the district coordinator, Katie Beyer ([kbeyer@lacrossesd.org](mailto:kbeyer@lacrossesd.org)), if you have any further questions about these programs.

A special thanks to Rhonda McGowan for her dedication to creating and implementing the Certificate of Global Competence for the School District of La Crosse!
