Parent(s)/Guardian(s),

Welcome to Logan High School. This will be one of the most exciting and challenging times in your young child's life. The next four years will be filled with many opportunities for your child to grow and recognize their potential. It is our hope that this experience will be as positive and rewarding as possible.

Parents who choose to take an active role in their child's education consistently make their child's educational journey more successful. Keeping this in mind, you are invited to attend the 9th grade parent only meeting on **Wednesday, August 16th at 6:30pm.** in the Logan Weess Theater. This will be a very informative and valuable meeting. It will also be an opportunity for you to meet other parents, various parent organizations, and ask questions of the Logan counselors and administrative staff. During that same time, your student is invited to attend "**FroshFest**" to meet other students and to learn some of the fun things about life at Logan High School.

In addition, there is a **MANDATORY** meeting for all freshmen on **WEDNESDAY, AUGUST 16th from 9:00am to 11:00am** in the Weess Theater. Important information will be shared with them.

Before the mandatory meeting from 8:00am-9:00am, students will take their school photo in the MPR (Multi-Purpose Room), pay any applicable fees, and pick up their class schedule to **complete the registration process.** Activity passes will also be available for \$25 (Family Pass-\$150). If you have not done so already, please take time to update your student's information online via the Annual Student Update. You can find step-by-step instructions on our school's website. If a student arrives too late to complete the registration process before 9:00am, we can help them from 11:00am-12:00pm after the mandatory meeting.

The success and failure many students have during their high school years can often be traced back to their freshman year. It is very important for your child to get off to a good start in their high school career. At Logan High School, everyone is ready to do all we can to help your child be successful; as parents, it is our hope that you are committed to working with us and your child towards that same goal. Most importantly, however, is the journey each student creates along the way. Making school a top priority, attending school regularly, putting forth one's best effort, being involved, and finding ways to give back to the school will all contribute to a student's success.

On behalf of the entire Logan staff, we would like to welcome you and your family into the "Logan Family." Thank you in advance for your support, commitment, and willingness to work as a team in order to create a successful learning experience for your child.

Sincerely,

Wally Gnewikow
Principal
