**AFTER SCHOOL PLAN** - The end of the school day is a hectic and sometimes confusing time. Please help us keep your child safe by preparing a plan that they will **follow each school day**! Children are encouraged **NOT** to make phone calls after school to change their plans (i.e. go to a friends, not attend Homework Club/Afterschool Programs, Walk home, etc.) We ask that you stick to the choice you make unless there is a necessary need for change.

Please limit calling the office on a regular basis to change your child’s plan at the end of the day. The office is a very busy place and last minute phone calls to change your child’s plan may not reach them before the bell rings. THANK YOU!

**HANDBOOK** - Please be sure to read through the Logan Middle School Handbook. This booklet contains important information regarding Logan Middle’s mission statement, rules, discipline, attendance, health concerns, and much more. Logan Middle’s Handbook is available on the web through the district web site at: [http://www.lacrosseschools.org/logan-middle](http://www.lacrosseschools.org/logan-middle)

**PTO (Parent/Teacher Organization)** - Please consider joining/helping Logan Middle’s PTO. Put your skills and hobbies to good use for a great cause. Tap into a network of parents and educators striving to give our students the best education. Feel free to share your ideas, concerns, and experiences! Our meetings last an hour or less, please join us

**Interested in touring Washington D.C.?**

Last year, seventh graders from Logan Middle were able to go to Washington D.C. for a week. They had an amazing time visiting war memorials, national monuments, the Smithsonian, Holocaust Museum, and many more fantastic sites! All travel, hotel, and food costs were covered in the trip cost so the students had nothing to worry about but to have fun and make memories with friends. Don’t miss out on your chance to go to D.C. next year from June 8th–13th, 2020. Chaperones are welcome to join the fun as well! **Contact Ms. Appel, jappel@lacrossesd.org with any questions!**
