

## **Mandatory Homework Club**

### **What is Mandatory Homework Club:**

Mandatory Homework Club is for students who are not completing his or her homework and have already received three lunch detentions for the missing work. Because of this, they have the opportunity to attend our Mandatory Homework Club where there are 3 to 4 teachers ready and able to assist.

### **When is Mandatory Homework Club:**

Every Tuesday, Wednesday, Thursday, from 2:45 – 3:45

### **How does it help:**

- Opportunity to get missing work done.
- Teacher assistance for clarifying and answering questions
- Learn planning and organizational skills.
- Build on productive habits of completing homework

### **Can I refer my son or daughter to the club:**

No... Soon there will be a voluntary homework club offered in each grade level that will be better suited for referrals.

### **But, I work! I can't drive him.**

We understand that it is difficult to find transportation. Be resourceful and reach out to family and friends. If by Tuesday you are unable to arrange transportation for him, we will help you out.
