MIDDLE SCHOOL Co-ed GOLF

September & October, 2023

Parents'/Players' Meeting: Friday, September 1st at FOREST HILLS (4:30-4:45 pm)
Information/Schedules will be handed out.

Requirements:

1. **Before** the first practice, you must have your on-line registration done. You cannot practice until all on-line processes are completed. This includes the physical card verification.
(The Online Pathway is: La Crosse School District Website > Longfellow Middle School > Activities & Athletics > Online Athletic Registration)

2. **Golf Equipment:** Golf club set, golf bag, golf balls, tees, divot fixing tool, bug spray, water bottle.

*If you do not have a golf club set, tees, or golf balls these are available for you at the Junior Golf Shack at Forest Hills set up by the Russ Hiser Memorial Foundation.

3. A collared shirt and "nice" pants/shorts will be worn at all practices/matches.

*A collared shirt will be provided for matches. Any collared shirt will suffice for practice. Do your best to dress business-casual for the course each day.

NOTE:

- Participants will be provided a ride to and from practice and meets from each school. Players should find the practice bus after school. Drop off after practice: 4:50pm-ish. Please be timely, as there is no adult supervision once players leave Forest Hills.
** Please act appropriately. Poor behavior on the bus will NOT be tolerated.
- In case of inclement weather, announcements will be made before the end of school via emails and announcements at school. If we cancel practice for some reason – students can ride the busses home as normal.
- All golf equipment must be brought to school/Forest Hills by parent/guardian vehicle; District Transportation does not allow the equipment on **morning school busses**. Equipment can be stored anytime in the LOCKED Junior Golf Shack at Forest Hills.
- Beginners are welcome! However, this is a competitive sport. 10 athletes play in each meet (5 boys/5 girls). Behavior at practice and coachability will be taken into consideration when preparing for meets.

Looking forward to a great season!
