YES, I opt to select the district's self-insurance. iPad Insurance - \$20.00

This must be paid by October 1<sup>st</sup> to be in effect. If past that date, it is assumed the parent/guardian does not want the insurance and all repairs will be the responsibility of the parents/guardians. The parent/guardian has reviewed and signed the handbooks and policies related to the use of technology in the district.

Voluntary iPad Insurance (additional information found in Building Student Handbook and at time of hand-out).

- Student must notify the building principal or associate principal immediately if iPad is damaged, lost, or stolen. Or, if notifying a teacher, ask that the teacher notify the principal immediately.
- Voluntary insurance covers accidental damage to the iPad; each device component will be replaced one time (e.g. cracked screen, audio port damaged, etc.). Subsequent breakage of the same item is the responsibility of the Parent/Guardian. Repairs/loss due to negligence are not covered by insurance. The following are only examples of accidental or negligent damage. See Building Student Handbook for additional examples.
  - Accidental damage includes walking down the hall with the device in the student's arms and someone bumps into the student and the iPad is dropped; student has laptop in backpack and someone grabs the backpack and tosses it down the hall.
  - Negligent damage includes liquid in iPad of any amount; iPads in backpacks or cases that are thrown down or sat on by the student; iPads on the floor in traffic areas resulting in being stepped on by student or others; iPads left unsecured in areas such as lockers or cars.
- Cases, power brick, or power cords are not covered by voluntary self-insurance. Student/parent/guardian must purchase Apple brand power cords or power bricks from the school office or from Apple/Apple Resellers. Other brands may not be the correct wattage or manufactured properly to support the district supplied iPad voiding the voluntary self-insurance and will be considered 'missing' at hand-in. Cases must be purchased in school office.
- Failure to return any laptop upon leaving the district or when requested will be considered theft of public property.
