Back2School is committed to helping our families prepare for the 2020/2021 school year! We are continuing to take sign-ups for school supplies. The application IS NOW available on the Catholic Charities website at www.cclse.org. As with many things, we have had to consider how to best implement our program this year. We are considering many options.

Our primary consideration for decision making is the safety and well-being of our students, their families and our volunteers. With this in mind, we will NOT be holding events at either Boys and Girls Club locations or The La Crosse Center. We will work with the School District and determine the best way to get the supplies into your hands. Please keep checking our websites, as well as our Facebook pages, including the page for Back2School. We will continue to update as we know more.
