

LONGFELLOW/CRVA INSTRUMENT DISTRIBUTION

WHEN: Wednesday, September 9th
7:30AM-3:15PM

Thursday, September 10th
Noon - 6:00PM

WHO: ALL 6th, 7th, 8th grade band and orchestra students receiving a school instrument.

WHERE: Please pull up alongside the chainlink fence near the basketball hoops on Redfield Street. It would help us if you write the student name(s) on a piece of paper and put it on the passenger side window when you arrive.

**If you would like a short, socially-distanced lesson to show your beginning band/orchestra student how to put the instrument together and how to make their first sound before we begin lessons virtually, we are more than happy to do so. We will wear a mask, be outside, stay 6 feet apart, and sanitize between each student.

Please email us if you are unable to pick up the instrument. We are more than happy to accommodate your schedule!
