PHYSICAL EDUCATION-ALL GRADES

You have the option of bringing the required clothing & using the locker room to change or coming to class already prepared wearing a t-shirt/sweatshirt, shorts/sweatpants and appropriate footwear. Footwear consists of tennis, running or basketball shoes. Students must wear appropriate footwear, so they won't injure themselves during athletic activities. Students gain participation points during each PE class & depending on the activity may not be allowed to participate if their safety is jeopardized...thus losing all of their points for the day. For these reasons, sandals, Crocs, flip-flops, slippers, boots, high heels, and dress shoes are not considered appropriate footwear for PE class. PE shoes/clothes should be kept in hallway lockers, not in the locker room.
