

WHERE CAN I GO TO BE TESTED?

In addition to Gundersen and Mayo testing sites, there are several drive-up sites offered by the School District of La Crosse where family members can be tested. Please refer to the testing sites below and fill out the pre-registration form identified in the following instructions.

TESTING REGISTRATION

We highly recommend pre-registration before testing at a district drive-up testing site. Pre-registration is needed **prior to each time** you are tested and for each individual being tested. While registering, you will be asked for a testing location; please be sure to indicate that you are being tested at a **non-public site**. You can use the same email address to register all family members. Each person registered will have their own unique QR code which will be emailed to the address given during registration.

HOW DO I PRE-REGISTER? **** (SAME REGISTRATION FOR TEST AND STAY)**

Scan this QR code, or go to this URL: register.covidconnect.wi.gov

- Register by answering a short questionnaire
- Parents/guardians will be prompted to consent for minor students and children
- Receive an email confirmation with a QR code. **Have this code ready when you get to the testing site.**

PCR test results take 48-72 hours or longer

Negative results: You will be emailed a secure link to view and print results

Positive results: You will be emailed a secure link to view and print results and may be called by contact tracing

WHAT TYPE OF TEST SHOULD MY CHILD GET AT THE DRIVE-UP SITES?

PCR-

- If your child becomes sick before or after school with symptoms which would require testing. Your child should not come to school while waiting for test results.
- If your child becomes sick while at school and you prefer testing occur at a test site in the community

ANTIGEN-

- If your asymptomatic child is a close contact seeking to return under a shortened quarantine
- If you want to assess risk of any asymptomatic family member following an exposure, or if they are near other members in the family who are sick (please note, a confirmatory PCR test may be necessary)

COVID DRIVE-UP TESTING

Please visit the La Crosse County Health Department community testing page for updates on dates, times, locations, and testing guidelines. <https://www.lacrossecounty.org/covid19/testing-information>

COVID-19 SYMPTOMS

WHEN DOES MY SICK CHILD NEED TO STAY HOME AND BE TESTED?

1 SYMPTOM OF:

- Cough
- Shortness of Breath
- Difficulty Breathing
- New loss of taste
- New loss of Smell

OR AT LEAST 2 OF THE FOLLOWING:

- Fever
- Diarrhea
- Body Aches
- Chills
- Sore Throat
- Headache
- Fatigue
- Runny Nose or Congestion
- Nausea or vomiting

If your child has a fever, vomiting, or diarrhea as a single symptom, they should stay home for 24 hours after the last episode, but other family members may attend school if they are feeling well. If your child has symptoms above that require testing, siblings may still attend school for up to three days while awaiting results. If test results are not received by the school district within three days after notification, siblings will have to remain at home until a negative PCR test result is received.
