North Woods TEAM Newsletter

Barnes and Noble

Money Raised

Thank you to the teachers, staff, and parent volunteers who assisted at our Barnes and Noble event. In four hours of shopping and online sales, we earned \$666.60. A huge shout out to our very talented staff members who provided entertainment: Mrs. Becker, Ms. Struver, Mr. Porras Perez, Mrs. DeRemer, Mrs. Kulig, Senora Kratt, Mrs. Schuttenhelm, Mrs. Callen, and Mrs. DeYoe.

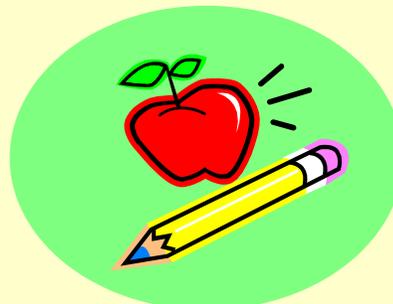

Also a round of applause goes out to our gift wrappers and door greeters! Thank you Mrs. Servias, Renee Redman, Jen Devine, Sara Herath, and Rebecca Miller. Darbi Jefferies spent many hours organizing this event from coordinating teachers volunteering to gathering treats together for the Barnes and Noble Staff. Thank you very much Darbi for all your hard work and dedication!

Family Fun Fest

Family Fun Fest is right around the corner! Please save the date for Friday, February 10th, 2017 from 5pm to 8pm. Letters went home requesting raffle basket items. Volunteers are still needed. Please sign up on www.volunteersignup.org/4KAFY. Silent auction items are still needed. Please e-mail nwteamlacrosse@gmail.com if you have an item or two to donate to the event. Pogy's will be catering the meal! The food is always delicious! There will be options for kid meals and adult meals. There will also be a bake sale!

My Local Deals Coupon Book

Coupon books/order forms will be coming home with your child (ren) in the next couple of weeks. Last time we did this fundraiser, it was very successful! We raised over \$4,600.00. The school earns \$14.00 per coupon book. TEAM sent home 3 books to every student with a maximum of 6 books per family or an order form. Kindly return any money or books in the envelope provided with your students name on it as it will assist us in tracking their return. You can easily get more books to sell by simply returning the envelope with a check or cash and let us know how many more books you would like to receive. Our goal is to raise \$6,000.00. Stating this, we are working on rewarding students for their work! The top selling class will earn a pizza party! Our top sellers in the past sold over 30 books! There will be individual incentives as well! More news to come soon! Some of my favorite coupons include Kwik Trip gas, Shenanigans, and The Nail Department. There are many new coupons this year in the book! Thank you for your support and dedication.

Money Raised

Thank you to the staff at North Woods, the parents, and students for helping make the Gift of Giving a HUGE success! The event raised \$250.00. This event is successful because of your donations. The children love shopping for gifts for their loved ones. Thank you to all who participated! Thank you Bridget for putting this event together every year!!

Host an Intern

If you are interested in hosting an Intern for the 2017-18 school year, please contact Darbi Jefferies at darbi62@hotmail.com. If you are unable to host, there are other ways to help out by transportation or hosting a meal. To find out more, please connect with Darbi to answer all your questions!

TEAM Meetings

TEAM meetings are held every 3rd Tuesday of the month at 6:30 p.m. in the LGI at North Woods. Please attend a meeting. It would be nice to see new parents and get new ideas! We discuss upcoming events, hear about important news, and learn how the students and teachers benefit from the work of TEAM!

If you would like more information or want to stay connected and involved, please contact nwteamlacrosse@gmail.com.

Your Junk...Our Treasure!

This is just a little reminder that our school collects Box Tops, old Crayola Markers, and Milk Caps from Kwik Trip. You can find them on a lot of packages! Everything from school supplies to taco shells can be saved! Each clipping is worth a little something that adds up quickly and helps supports field trips for students! Our last Box Top check in December was for \$282.40!!!

We would absolutely love it if you could collect them and send them in your child's classroom! There is also outside of the school office a storage bin to place the items.

TEAM also collects soda cans. Cans can be placed in the gated fence area in the back of the school.
