

April 2022 Newsletter

Can you believe we only have a quarter of the school year left?

There have been so many exciting things happening at North Woods and plenty more on the way to close the year.

- We just had our all-school art show. It was amazing!
- We celebrated Kindness Week with our first speaker since COVID. Thousands of acts of kindness resulted.
- We had a read-a-thon that raised thousands of dollars. Our students enjoyed reading outside in the chilly weather and then warming up with some hot chocolate.
- Our younger students had a visit from author Karen Condit who shared her book *Turtle on the Track*. Students even got a turtle toy to take home to encourage them to keep learning.
- Many of our grade levels have already had their International Baccalaureate Expos. These have been great events to share both food and learning.
- Our new picnic tables from the fundraiser last year are assembled and being used by staff and students. They are very well made and are being put to great use.
- Soon, we will be breaking ground on our new walking track. More news will be coming soon about how we plan to celebrate as a school community in May.

Things at North Woods certainly look different than when we returned to school in the fall. We are looking forward to resuming a sense of normalcy and continuing to offer great experiences and a great learning environment for all our students.

Happy spring!

SPRING WEATHER!

Spring weather is upon us! Please make sure to send your child to school with a change of clothes for sloshy days! Also, still bring warm coats and boots for recess! The weather can be unpredictable.

The School District of La Crosse cold weather policy states children can be outdoors when the temperature is 0 or above and when the wind chill is -5 or above.

We follow these guidelines when deciding if recess is indoor or outside.

Children need to be prepared for cold temperatures and being safe in cold weather!

Pre-School REGISTRATION

Preschool Registration for the 2022-2023 school year has begun! For information regarding registering for preschool, please contact 608-789-7006. Visit <https://www.lacrosseschools.org/programs-services/4-year-old-preschool/> for more information or see the flyer on later in this newsletter!

KINDERGARTEN REGISTRATION

Do you need to register your child for kindergarten next year? Is North Woods International your boundary school? Head on over to Hogan Administrative Center (807 East Ave S, La Crosse WI 54601) or visit <https://www.lacrosseschools.org/overview/enrollment/>

The registrar will be able to help answer questions and get your student set for success for the 2022-2023 school year!

Is North Woods International not your neighborhood school? Please contact the Choice and Charter department at choiceandcharter@lacrossesd.org or call the North Woods office at 608-789-6401.

Choice applications (Intradistrict Transfers) will be accepted February 1st-April 29th for the 2022-2023 school year. Space is limited! Apply soon!
<https://www.lacrosseschools.org/parents/intradistrict-transfers/>

If your child is not enrolled in the School District of La Crosse Preschool Program, you can begin the enrollment process for kindergarten either online or at the Hogan Admin Center. Birth Certificate and Proof of Residency in the district will be required. Your address determines your boundary school. For questions regarding kindergarten registration contact, 608-789-7651 and/or 608-789-7756. Kindergarteners must be 5 years of age on or before September 1st.

IMPORTANT INFORMATION – FREE MEALS FOR ALL ENDS

The School District of La Crosse will no longer be able to serve all meals to students free in the 2022-2023 school year. The funding to be able to offer free meals during the pandemic will end at the close of the current school year.

A new Free/Reduced meal application will be needed in order to receive Free/Reduced-priced meals during the 2022-2023 school year.

New application forms will be available after July 1, 2022. As additional information becomes available, we will be posting information to the La Crosse School District and School Nutrition website in addition to sending a Back-to-School mailing this summer to all families.

Completing the Free/Reduced Application is necessary for all families as this information helps determine additional funding for enhanced education opportunities to your child's school.

North Woods International Kindness Week & Readathon 2022!

Our Kindness Week was a success! Brian Williams challenged our school to BE KIND by starting small, being brave and being kind. North Woods documented 3,686 total acts of kindness in just one week!

On Friday March 11th, North Woods International will be hosted our annual Read-a-thon event with a fun filled day of reading with classroom teachers, school staff, community members, and even virtual guests! North Woods raised a total of \$2,176 for Children's Miracle Network!

Reading Isn't Just On Paper

With all the technology there are more ways to read than ever! Spark your child's interest by introducing them to digital reading using a computer, laptop, tablet, or mobile device. Check out these great online resources for digital reading!

Kwik Trip

For our Title I reading event this year, we held a school wide book walk event and then sent home family engagement activities along with a copy of the book, The Mitten, and a snack for each North Woods student.

Students enjoyed reading the story with their classmates or buddy classes. After they finished their walk, they got to enjoy a cup of hot chocolate.

Our School is participating in the Logger Dog's reading club. Your child has the opportunity to improve his/her reading while earning prizes and a **FREE** ticket to a Logger's game on June 1st where your child will be recognized for their reading on the field!

Program started on Monday, March 7th and will continue until Friday, May 13th. Please remember to turn in your reading tickets to earn your prizes.

Rewards are handed out after your child reaches each base. In order to earn the reward, students need to read 250 minutes per base. **Parents must sign their child's ticket then have your child return the ticket to Mrs. DePaolo to claim their prize.** After students have read a total of 1,000 minutes, they have "hit a home run with reading" therefore earning them their free ticket.

Prizes include:

1st base: Logger folder

2nd base: Logger pen

3rd base: Free kids meal at Texas Roadhouse

Home Run: Free ticket to Logger game

Happy Reading!!!!

Title Tips: April 2022

What are the Five Domains of Reading?

- 1) **Phonemic Awareness** - the ability to understand that each word is made up of sounds.
 - a) How many sounds in a word, rhyming, and changing a word by changing one sound.
- 2) **Phonics** - the ability to know which letters make which sounds.
 - a) Decoding words while reading and spelling words based on patterns
- 3) **Vocabulary** - the ability to understand what a word means.
 - a) Give a definition of a word or use clues to determine the meaning
- 4) **Fluency** - the ability to read quickly, accurately and with expression.
 - a) Read smoothly
 - b) Not sounding out every word
 - c) Changing our voice for different characters
- 5) **Comprehension** - the ability to understand what happened in the story and why.

- a) Comprehension makes us dive deep.
- b) We look at the story elements.
- c) We answer questions before, during, and after reading.

**HARVEST OF THE MONTH
 NEWSLETTER 04/2022**
**APRIL****edamame****FUN FACTS**

- Some call edamame the super vegetable because it is the only vegetable that contains all nine essential amino acids.
- Edamame is considered both a protein food and vegetable by the USDA.
- Edamame are immature soybeans in their pods.

NUTRITION INFO

One half cup of shelled edamame has 90 calories and provides iron, fiber and protein.

PICK

Edamame is rarely sold fresh so check your farmer's market! It is available both shelled and unshelled all year. Snopac brand sells a local, frozen option.

STORE

Keep fresh edamame dry in a perforated plastic bag in the refrigerator, in the freezer for 6-12 months or until the use by date on the package.

PREPARE

Shelled and unshelled edamame can be boiled, steamed, or microwaved. The pod is inedible and should be discarded after cooking.

USE

Blanch the pods in salted water, drain and serve sprinkled with salt for a snack. Cooked, shelled edamame is a great addition to stir-fries, salads, and can be added to hummus or guacamole!

Edamame Succotash

Serves 10

Ingredients:

- 3 Tbsp. olive oil
- 1 medium onion, diced
- 1 medium red pepper, diced
- 2 ½ cups edamame, frozen, shelled
- 2 ½ cups corn, frozen
- ½ tsp. garlic
- ½ tsp. salt
- ½ tsp. black pepper
- ½ tsp. dried oregano
- 6 Tbsp. water

Directions:

In a medium sauce pan, heat olive oil on medium-high heat. Add onions and cook while stirring until translucent. Add red peppers and cook for 5 minutes. Add edamame, corn, garlic, salt, pepper and oregano; cook for 6 minutes. Add water, cover and steam for 3-4 minutes or until all vegetables are tender.

Per Serving (1/4 cup): 95 calories, 5g fat, .3g saturated fat, 3g protein, 10g carbohydrate, 2g fiber, 121mg sodium

IB News!

In April, as a school we are focusing on being knowledgeable.

IB's definition of knowledgeable is:

- *"We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance."*

Encourage your child to use their knowledge.

Please ask your child to explain what they have learned about the learner profile attributes.

Thanks to everyone who attended our IB expos so far this school year! We have enjoyed seeing everyone and watching students share their learning.

Upcoming IB events/Save the dates:

March 29th - 3rd grade IB expo night from 5:30-6:30

- Please join us for student presentations of their learning and a meal to go

April 4th - 4K IB expo night from 5:30-6:30

- Please join us for a meal and student presentations of their learning
- More information will be sent out closer to the event

April 12th - 5th grade exhibition from 5:30-6:30

- More information will be sent out closer to the event

April 19th - Kindergarten expo from 5:30-6:30

- Please join us for a meal and student presentations of their learning
- More information will be sent out closer to the event

The 5th grade orchestra performed at the La Crosse Center on Tuesday, March 8th, as part of the annual 'All-City Festival'. This concert included all orchestra students, grades 5-12, from all the schools in La Crosse. North Woods 5th graders did a great job and represented their school well.

Lessons for 4/5 strings will continue for the rest of the year, but orchestra practice at recess is now optional. Students who attend will work on fun songs, music for the talent show and/or learn how to record themselves using GarageBand.

GROW

Connecting youth to healthy food and nature

Exploring the garden from the bottom up

The sun is shining and soon the days will be warmer. Spring garden lessons will begin the first week of April. Our garden educators are excited to start exploring the gardens with students as we look at how quality compost and soil help us grow the foods we eat.

During garden lessons this year students will have the chance to take a close look at the science that goes into making sure plants have the nutrients required to produce the fruits and vegetables we need to stay healthy. Plan to get your hands dirty as we begin this hands-on exploration of the the gardens from the bottom up.

Kids Cooking Challenge

The participants in this spring's GROW Kids Cooking Challenge have blown us away again with their creativity and talent. The judges have a difficult job to name the top entries. Watch our social media and web page. All of the entries will be displayed and the winners will be announced on April 1st.
