1. Review and Approve May Minutes.
  - a. Approved by Dawn - Seconded by Amanda - Voting was unanimous.
2. 2021 Officers - VP - Jenna Samson
3. Bike Rodeo Review
  - a. It was suggested that we have more activities for younger kids, like sidewalk chalk, face painting, etc. The 3 hour schedule was nice to help spread kids out on the course so there were less chances for accidents. The SSC would be open to different locations (Red Cloud Park), however Lueth Park was very convenient. In the future, it would be nice to offer food on a smaller scale than has been in the past (i.e. fruit or veggie with water).
4. Summer Schedule
  - a. K1 Picnic - Doris brought up that we could do this as a whole school, but there is something magical about having it only be the K1 crew. We will keep it just K1 and explore the swim night. Doris is going to check to see if the swim night can be earlier in the summer on a night other than Sunday.
  - b. Back-to-School Night - August 24th
    - i. 2021-22 Theme - Opening Doors
    - ii. Mr. Burns is confident that BTS Night will be in person, so we are going to plan accordingly. The plan is to have a "passport" that students can get from a "Registration Station". The SSC will work with the teachers to

- create a list of places in the school for the kids and parents to visit, and have them get stamps or signatures on their passport
- iii. Have a printout of all the SSC events for the year to hand out (i.e. fundraising, community building, volunteer opportunities)
  - c. SSC Meetings - July 6th (focus on 21-22 budget and goals) and August 3rd (in-person at Doris' house with all teachers invited)
5. School Year SSC Meetings - We will continue the Zoom meetings, but plan to have larger in-person meetings in Sept., Jan. and April. These will be held in the LLC at the school.
  6. Fundraising
    - a. Scrip Recap - The last Scrip push was not successful. Next year, Jenna will revisit the paper order forms; possibly sending them out every other month. She also suggested that we might look into having cards available for purchase in the office.
    - b. We are just short of raising what we had anticipated for the year, which is not bad considering the year we had.
    - c. A Loggers fundraiser would be great on next year's schedule.
    - d. 21-22 FR Schedule
      - i. Restaurant - Moka, La Crosse Distilling Co., Noodles, Java Vino - Erika
      - ii. Scrip - Jenna
      - iii. All Glazed Up - Erika
      - iv. Skate-A-Thon - In place of this, we discussed having more events at the Bike Rodeo that could bring in cash. - Doris - Discuss in Jan.
      - v. Informance Art Auction - Bethany - It was suggested that the students could paint rain barrels to auction off.
      - vi. Equal Exchange - Erika
      - vii. Plant sale (at the Bike Rodeo) - This needs to be discussed in our Jan. meeting
      - viii. Earth Day t-shirts - Ashley - We need to discuss this in our January meeting.
  7. Diversity
  8. Teacher Update - We talked about the Kickball game and Graduation schedule.
  9. Principal Update
