

ATTENTION: VISITORS BEFORE YOU ENTER

Scan the QR code below (using the camera app (Apple) or QR Reader App) to complete the Symptom Screener before entering the building. Upon completion, please show the green checkmark (✓) message to the main office.

If you are a visitor to our building and decline taking the survey, we will not be able to allow you to enter the building at this time.

If you do not have a device or need assistance, please let the person opening the door know that you have not completed the screener.
