

Anything's PAWSible!

Welcome to the 2021-22 Open House at Southern Bluffs. It is so exciting to be able to welcome everyone back into the building! Our focus this school year continues to be around social-emotional learning and embedding that learning into all aspects of the school day. The last year and a half were certainly filled with challenges and silver linings and we believe (and will teach) that *anything is possible* when we set goals, approach everything with a growth mindset, manage our emotions, lead with empathy and kindness and work to solve problems.

The health and safety of our Southern Bluffs community will continue to be a top priority. Updates and expectations regarding safety protocols will be communicated out as needed. We appreciate having you as a partner as we continue to navigate our way through COVID-19 and its variants.

This evening allows you and your child(ren) the chance to meet teachers, smile for a school picture and pick up a variety of information to assist in starting the year off right. If you have not completed the Student Information Update, there is still time to do so. Simply go to: www.lacrosseschools.org/southernbluffs.

With Kids in Mind,

Lisa Schreiner
