5 th Grade	12:15	12:45-1:15
PM Preschool		2:45-3:15

Absences: Please call the school or submit the "Email Attendance Office" form on our website before 9:00 a.m. to report your child's absence. Messages may also be left at any time on our voice mail.

Students are provided with 10 general absence days per school year. General absences include illness days, appointments without doctor/dentist notes, funerals, parent excused days without principal approval and all other absences. **After students reach this 10 day limit, all absences will require a doctor's note and/or principal approval.** If neither is provided, the absence may be marked "unexcused".

- **Appointments:** If your child has an appointment during the school day, please check them out at the office. If they are returning, they must check back in at the office and get a pass to return to class. Please send a note to the teacher and always inform the office about appointments.
- **Vacations:** If you are going on a vacation that will cause your child to miss more than one day of school, please complete the "Special Absence Request" form on our website (under "School Documents") or fill one out in the office.

Medical: If your child has any medical conditions or receives medication at school, please notify our school Health Assistant, Ms. Denzer.

Family Access: This program allows you to access information regarding all areas of your child's account (updating student/family information, lunch balances, attendance, etc.). Please contact the office if you need assistance with passwords/logins.

School Meals: Breakfast is available in the classroom from 8:20 – 8:35 and lunch is served from 11:00 – 12:45. Student meals are free for the 2021-2022 school year. A la carte milk costs \$0.50, and the price of an adult meal is \$3.95.

<p>Please update enrollment information and emergency contact information if there are any changes throughout the school year.</p>
