# THE BOBCAT BULLETIN

Monthly newsletter of Southern Bluffs Elementary

Dear Families,

I think we can agree that it has been an abnormal winter season. While February and March certainly teased us with the warm, spring-like weather, we were quickly put back into reality with some typical early spring snow by Mother Nature. However, there are brighter days ahead as we enter the months of April and May.

Over the last month we have celebrated Read Across America Week, welcomed families into the building for spring conferences, a family movie night, and a PTO dance. Our 4th graders represented Southern Bluffs well during the NAEP testing and Student Council collected over \$300 for the Humane Society. To say it's been a busy month is an understatement!

Looking ahead in April, we will be diligently watching our milk carton plants from our Spring Fling Celebration, welcoming in Sue Hulsether for our artist residency program (save the date for April 11th's Family Folk Dance), introducing incoming Kindergartens to Southern Bluffs during our New to School Open House, and rounding out the month with our 3rd-5th graders participating in the WI Forward Exam.

Thank you for all you continue to do for our students and staff at Southern Bluffs Elementary. The teamwork goes beyond the classroom, and we welcome and value your open communication.

*Sincerely,*

*Maggie Maine, Principal*

# Preschool & Kindergarten Registration

The School District of La Crosse has begun accepting registrations for the 2024-2025 Four-Year-Old Preschool Program (4K). Any child, who is 4 years old on or before September 1, and either lives in the La Crosse School District attendance area or non-residents that complete the Open Enrollment application through the Department of Public Instruction (DPI) is eligible for preschool.

Our preschool program is a 2.5-hour program, Monday through Friday, housed at several daycare centers and schools throughout the district. The preschool program is free to any eligible child.

If you have questions about the program, need help in deciding on a site to have your child attend, or have registration questions, you may visit the 4-Year-Old Preschool webpage or contact the Preschool Office.

---

**Our 24/25 school year planning is already in process. If you currently have a 4K student attending one of the school district 4K programs, your child is already registered for Kindergarten.**

**If you have a child (or know of someone who has a child) that will turn 5 by September 1, 2024 that has not been enrolled in our 4K program, that child will need to be registered. The child's birth certificate along with proof of address (lease or utility bill) need to be provided at the Hogan Administration Center.**

Dear Southern Bluffs Elementary Families,

It is hard to believe how fast the school year has gone. The state of Wisconsin requires that all third through fifth-grade students complete the Reading and Mathematics Forward Exams and that fourth grade has additional testing in the area of Social Studies and Science. The dates that the students will be testing are as follows:

**Monday, April 15th – Friday, April 19th (Reading, Math, Social Studies)**  
**Monday, April 22nd (Science)**

\*\*Make-ups as needed: Tuesday, April 23rd – Friday, April 26th

### **What is the Wisconsin Forward Exam?**

Below is an informational brochure for families that gives more information about the assessment including its purpose, what scores will be provided, and how the scores will be used. The Forward Exam measures the knowledge and skills your student(s) should have acquired by the time they reach each grade level. Their performance on the assessment will not affect any of their current grades. The results of this exam will be used to help school staff make academic determinations to best support our school community.

### **What can I do at home to help my child with the Wisconsin Forward Exam?**

- Ensure your child is at school every day.
- Make sure your child has a good night's sleep. *(It is recommended that 3rd – 5th grade students get 10-11 hours of sleep a night.)*
- Offer your child a nutritious breakfast. Breakfast is available for purchase to all Southern Bluffs Elementary students. The PTO has also purchased snacks for testing classrooms.
- Play games with your child that involve reading and mathematical skills.
- Encourage your child to use math every day.
- Talk to your child about the test.
- Provide a quiet, comfortable place for your child to study.
- Discuss the test openly, and in a positive way, to relieve test anxiety.

Thank you for your teamwork and support. If there is anything I can do to help you or your child, please do not hesitate to reach out.

Sincerely,  
Maggie Maine, Principal
