Logan High School  
1500 Ranger Drive  
La Crosse, WI 54603

Dear Parents,

We are excited that we may soon be meeting your child at our 2023 Spring Playschool. The high school ACCT students will spend the 3<sup>rd</sup> quarter of school learning about growth and development from prenatal through middle childhood. Then we will be busy honing skills for preschool teaching during the 4<sup>th</sup> quarter.

Our preschool at the “big school” provides a nurturing, safe environment with plenty of learning experiences in dramatic play, art, crafts, literature, science, large and small motor development and even healthy snacks. Every day will be theme-based (rainbows, animals, under the sea, and so on.) This is a learning experience for both your child and the high school students. The high school students are responsible for writing the lesson plans and carrying out all the activities.

We have 10 spots available for our spring semester Little Rangers program. Spots will be awarded on a first come basis.

### **Some specifics:**

**Where:** Room 175
