

How to Identify your Child's Bus

Route number identified here

We use ROUTE numbers to identify the route that your child is on, not bus numbers. Each student will receive a ROUTE number prior to the start of school—that is how you identify what bus your child will take to and from school.

You will receive a route letter from us in August indicating the ROUTE number, stop location and pickup time for your child.

The ROUTE number is located to the left of the door of the bus. Please look here for your child's ROUTE number, and teach your child to do the same.
