HOMEWORK ASSISTANCE

Homework Club meets on a “drop in” basis after school until 3:45pm. Certified teachers are available to assist students with homework. Please check the school calendar for dates that Homework Club meets after school.

The goals of Homework Club are to:

- *Give students a quiet, structured study area after the school day
- *Give students more access to teachers for homework assistance
- *Personalize the middle school experience
- *Develop and reinforce positive relationships between students and teachers
- *Foster the development of study skills and consistent, appropriate study habits for middle school students
- *Increase student productivity and decrease student and parent frustration associated with homework
- *Provide students with the opportunity to experience success through preparation
- *Provide direct instruction in study skills

CHARTER SCHOOLS

SOTA II

Emphasis on study of the arts and technology, as well as covering the district curriculum. This charter school is offered to students in grades 6-8, resulting in a multi-grade looping classroom.
