School Programs: Harry Spence is a neighborhood school that reflects typical families of the La Crosse community. Our parent group, Harry Spence PTO, Inc., is a vital, long-standing organization. They are actively involved in instructional support, as well as the traditional roles of fundraising and volunteerism. Our school has a vast array of programming to support the various needs of our student population. Programs include: Preschool; Intellectual Disabilities program; School-wide Title I; ELL (English Language Learners); Learning Disabilities program; Emotional Behavioral Disabilities program; and an active High Performance Learners program. We also provide a vast array of clubs and activities for students to participate in after before, during and after school.

Unique School Programs/Accomplishments
 Things We're Most Proud Of:

- A challenging yet welcoming environment that accepts and values every child
- 100% Highly Qualified Staff
- School garden in collaboration with GROW La Crosse that integrates academic curriculum into the school garden curriculum and creates outdoor classroom for learning
- Parent Involvement through PTO, Family Nights, Volunteering and School Garden
- Universal implementation of PBIS (Positive Behavior Intervention and Supports) and recognition from DPI for Bronze-level status
- Building Support Person (through flexible staffing) to proactively support students that struggle behaviorally
- High Performance Learning reading and math groups for grades 3-5
- Collaboration among music, art, and physical education teachers for integrated instruction
- Institutions of Higher Ed Partnerships- Viterbo & UW-L students doing direct coursework at Spence with students and in classrooms

HIGH ACADEMIC STANDARDS:
 E2:-Students will demonstrate a high level of individual success in all required and elective academic/curricular areas using multiple measures of performance.

- RSVP's Are You Smarter Than a 5th Grader?

SPENCE ELEMENTARY

Evidence of Success – Page 2

Goals:

- Increase reading and math achievement so that students meet district and school benchmarks or experience growth of one year or greater.
- Address equity through strengthening universal curriculum integrating practices that are culturally responsive as well as providing students access to curriculum within the classroom structure.
- Continue to create and implement systems and strategies that address students social, emotional and behavioral needs.

Professional Development:

- Staff work with the Instructional Coach in job-embedded ongoing professional development through a variety of avenues from modeling, team teaching, monthly grade level meetings and extended planning opportunities.
- Staff members meet weekly as a Professional Learning Community to analyze student results and share best practices.
- Staff work with the Instructional Coach on various topics of interest and/or needs
- Spence and Southern Bluffs collaborate together in grade level and job-alike teams
- Various staff members attend workshops, gold brochure classes and participate in various books studies
- Teachers and support staff are continually taking and teaching classes in and beyond the district and then sharing with others in our learning community.
- Monthly professional development on Trauma with Clinical Therapist, Nicole Milliren,
- Staff members are attending Edcamps that are taught by Spence staff based on interest and need of staff members.
- Staff continue to participate in equity training which includes staff facilitating district-sponsored Responsive Classroom training.
- Spence staff participated in PLC Reboot training and now lead their PLC teams with implementing to fidelity.

Family, School, and Community Partnerships:

- The PTO organizes and/or supports many events throughout the year, beginning with a fall Open House and ending with our Spring Garden Party, which celebrated the opening of our garden. They support a variety of school projects, technology, assemblies, artist-in residence program, field trips and our school garden.
- Our Title 1 teachers coordinate a Family Literacy Night for students and parents in order to share literacy strategies.
- GROW La Crosse with numerous financial partners including Thrivent as a corporate sponsor,
- Viterbo University Education students attend class two mornings a week at Spence. They learn about reading instruction in their course work and then work with students and teachers applying this new learning in the classroom.
- Students at UW-L work with select students as part of a semester long class project. This is conducted both fall and spring.
- The YMCA uses the Spence cafeteria to provide a Surround Care program before and after school for working parents.
- The La Crosse Police Department provides officers to work in partnership with schools to educate children and prevent future drug and alcohol abuse as well as gang involvement. (G.R.E.A.T. and D.A.R.E.)
- La Crosse Parks and Recreation runs several athletic programs at the Spence facility. Volleyball, basketball, soccer, softball and track are offered to children after school.
- The Boys and Girls Club of LaCrosse and MATHY Center provides after school tutoring for those students who need help with their homework or a place to go after school.
- Spence Elementary is a community meal site during the summer serving free breakfast and lunch.
- Boy Scouts & Girl Scouts programs utilize Spence for their programming and support our Veterans' Day program.
- Nicole Milliren, Clinical Therapist for La Crosse County Human Services works with Spence staff on children's mental health issues and trauma-informed care.
- UW-L Extension provides nutrition lessons to 2nd and 3rd gr.

STANDARDS OF THE HEART – caring, success, potential

E3: Students will strive for mutual understanding as contributing citizens in a diverse world.
