

Welcome to Emerson Preschool! Meet your teachers...

Hello! My name is Mrs. Erickson. I am Emerson's afternoon preschool teacher. I am married to an incredibly busy man, Jon; we have four children, Hans, Tessa, Nora and William, a kitty named Lucy, and a mischievous chocolate lab named Juno. I like to go on walks with my family and dog, read books with Lucy on my lap, have coffee with my friends on Saturday morning, and shop with my mom. My family and friends are very important to me.

I received my Elementary degree with Early Childhood minor, as well as my Master's Degree, through the University of Wisconsin-La Crosse. This fall will be my nineteenth year of teaching in La Crosse. I have taught preschool through third grade for the La Crosse school district. Preschool is truly my favorite grade to teach and I feel fortunate to work with the youngest students in our district. I teach thematically focusing on appropriate play skills and life long social skills which allow preschoolers to grow and develop so they may continue to be successful throughout their education.

Please feel free to contact me with questions, joys, or concerns you have about your child: jerickso@lacrossesd.org

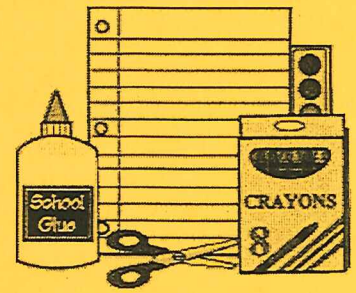

Hi, my name is Mrs. Check. I am the teacher assistant in Mrs. Erickson's preschool classroom. I am married and have three adult children and six wonderful, precious grandchildren (3 girls and 3 boys). We are a sports minded, enthusiastic family and enjoy going to games, be it: football, basketball, baseball, softball, or track and field meets. I like watching games at the beginning level (4 year old Boys and Girls Club) to the advanced level (College and pro).

It is such a joy to work with preschoolers because they are so much fun in the things they say and do. It's a daily adventure!
