Dream • Believe • Achieve

Laura Huber, Principal

Dear Northside Preschool Families,

Welcome to the La Crosse School District and the Northside preschool. My name is Mary Mick, and I will be your child's teacher this year. I have been teaching preschool for the district since 1996. Although I have been transferred to various preschools in the district, I always considered the north side schools my home.

Before joining the La Crosse School District, I taught Head Start for eighteen years. As you can see, preschool has been my career choice and I remain enthusiastic about providing a memorable learning experience for all children enrolled at the Northside preschool.

Ellen Raymer will be the teaching assistant providing support and cohesiveness to the preschool program. She has wonderful experience assisting in various programs involving the youngest learners in the district.

Together we look forward to getting to know you and your child throughout the year. We focus on developing a caring and respectful community of learners. Through various activities we will build a foundation of readiness skills to begin each child's educational journey.

Please feel free to contact me via e-mail at [mmick@lacrossesd.org](mailto:mmick@lacrossesd.org) or by phone at (608)789-6719.

Sincerely,

A handwritten signature in cursive script that reads "Mary M. Mick".
