

YWCA 4-K Supply List

- 3-Ring Binder with a clear front (1 inch): These will return to your family at the end of the year full of your child's work, photos, and art!
- A complete change of weather appropriate clothing with your child's name on them.
- Bag or backpack big enough to carry projects home in.
- Box of facial tissues
- A 4x6 or 5x7 family photo. Many of our children get a little homesick at the beginning of the year. We find hanging up these photos helps whenever they are feeling a little down. These will be returned to your family at the end of the year.

Meet the Teachers!

MS. Cheryl: Welcome to your exciting new preschool adventure! My name is Ms. Cheryl and I will be your 4-K teacher. I have worked in the Early Childhood field for over 17 years, first subbing in the La Crosse school district and then as a Preschool and Head Start teacher. I graduated from the University of Wisconsin La Crosse with a BS in Elementary Education and a minor in Early Childhood. I also received my Master's degree in reading from UWL. I have been married for 27 years and have two children. I am an animal lover and spend a majority of time outdoors, weather permitting. I am so excited to meet you and your family. I am eager to see your growth through play and new learning experiences. Let's make this a year full of fun, knowledge, friends, and experiences!

Ms. Dora. Hi, my name is Ms. Dora. I recently started as the permanent Teacher Assistant for the 4K class at the YWCA. I have a degree in Human Services and I am working on obtaining a Spanish Education Degree. I am looking forward to getting to know the children and learning the best way I can support and encourage their learning and creativity. Please don't hesitate to contact me with any questions or just to say hi.
